**SUBMITTED ON BEHALF OF THE STAFF OF**  
**THE PUBLIC UTILITIES COMMISSION OF OHIO**

---

On April 17, 2020, Paradise Energy Solutions on behalf of Gary Burkholder filed an application for certification of a generation facility as an eligible renewable energy resource generating facility. The Gary Burkholder facility was certified on June 17, 2020. On June 26, 2020, Paradise Energy Solutions notified PUCO staff that this application is a duplicate.

The facility was also certified in case no. 19-1134-EL-REN on August 27, 2019. Neither certification has been registered with the tracking system PJM-GATS; therefore, SRECs have not been issued for the duplicate certification number and double counting has not occurred.

Staff recommends the Commission revoke the certificate pursuant to the applicant's request in case no. 20-0902-EL-REN.
