IGS is a privately held company founded in 1989 by Marv and Scott White. Co-founder Marv White was President and CEO of Columbus Gas Distribution Companies when the first unregulated of self-help natural gas program in the United States was implemented behind Columbia Gas of Ohio. Scott White has been intimately involved in the natural gas Industry since the inception of the company, for 28 years, and is one of the leaders in the natural gas deregulation. IGS has pursued a deliberate and precise marketing and

Public Utilities Commission

management strategy since its inception. IGS has worked diligently over the past few years to improve the

Ohio natural gas market to bring additional benefits to Choice and Commercial and Industrial customer. IGS

believes that controlled growth achieves the most positive and lasting results, and provides the greatest

stability. As such, IGS has slowly expanded its participation in choice programs throughout the Midwest and

East coast over the past several years and will continue to pursue a controlled growth strategy in the future.

IGS has built its business on putting the customer first and will continue in the future.

Section C: Applicant Financial Capability and Experience

C-1. Financial reporting

Provide a current link to the most recent Form 10-K filed with the Securities and Exchange Commission (SEC) or upload the form. If the applicant does not have a Form 10-K, submit the parent company's Form 10-K. If neither the applicant nor its parent is required to file Form 10-K, state that the applicant is not required to make such filings with the SEC and provide an explanation as to why it is not required.

Does not apply

C-2. Financial statements

Provide copies of the applicant's two most recent years of audited financial statements, including a balance sheet, income statement, and cash flow statement. If audited financial statements are not available, provide officer certified financial statements. If the applicant has not been in business long enough to satisfy this requirement, provide audited or officer certified financial statements covering the life of the business. If the applicant does not have a balance sheet, income statement, and cash flow statement, the applicant may provide a copy of its two most recent years of tax returns with **social security numbers and bank account numbers redacted**.

If the applicant is unable to meet the requirement for two years of financial statements, the Staff reviewer may request additional financial information.

Preferred to file this information confidentially

C-3. Forecasted financial statements

Provide two years of forecasted income statements **based solely on the applicant's anticipated business activities in the state of Ohio**.

Include the following information with the forecast: a list of assumptions used to generate the forecast; a statement indicating that the forecast is based solely on Ohio business activities only; and the name, address, email address, and telephone number of the preparer of the forecast.

The forecast may be in one of two acceptable formats: 1) an annual format that includes the current year and the two years succeeding the current year; or 2) a monthly format showing 24 consecutive months following the month of filing this application broken down into two 12-month periods with totals for revenues, expenses, and projected net incomes for both periods. Please show revenues, expenses, and net income (revenues minus total expenses) that is expected to be earned and incurred in **business activities only in the state of Ohio** for those periods.

If the applicant is filing for both an electric certificate and a natural gas certificate, please provide a separate and distinct forecast for revenues and expenses representing Ohio electric business activities in the application for the electric certificate and another forecast representing Ohio natural gas business activities in the application for the natural gas certificate.

Preferred to file confidentially

C-4. Credit rating

Provide a credit opinion disclosing the applicant's credit rating as reported by at least one of the following ratings agencies: Moody's Investors Service, Standard & Poor's Financial Services, Fitch Ratings or the National Association of Insurance Commissioners. If the applicant does not have its own credit ratings, substitute the credit ratings of a parent or an affiliate organization and submit a statement signed by a principal officer of the applicant's parent or affiliate organization that guarantees the obligations of the applicant. If an applicant or its parent does not have such a credit rating, enter 'Not Rated'.

This does not apply

C-5. Credit report

Provide a copy of the applicant's credit report from Experian, Equifax, TransUnion, Dun and Bradstreet or a similar credit reporting organization. If the applicant is a newly formed entity with no credit report, then provide a personal credit report for the principal owner of the entity seeking certification. At a minimum, the credit report must show summary information and an overall credit score. **Bank/credit account numbers and highly sensitive identification information must be redacted.** If the applicant provides an acceptable credit rating(s) in response to C-4, then the applicant may select 'This does not apply' and provide a response in the box below stating that a credit rating(s) was provided in response to C-4.

Preferred to file this information confidentially

C-6. Bankruptcy information

Within the previous 24 months, have any of the following filed for reorganization, protection from creditors or any other form of bankruptcy?

- Applicant
- Parent company of the applicant
- Affiliate company that guarantees the financial obligations of the applicant
- Any owner or officer of the applicant

No

C-7. Merger information

Is the applicant currently involved in any dissolution, merger or acquisition activity, or otherwise participated in such activities within the previous 24 months?

Merger Information: Igs Energy acquired Scana Energy LLC, with customer in North Carolina, South Carolina, Georgia, Tennessee and Florida.

C-8. Corporate structure

Provide a graphical depiction of the applicant's corporate structure. Do not provide an internal organizational chart. The graphical depiction should include all parent holding companies, subsidiaries and affiliates as well as a list of all affiliate and subsidiary companies that supply retail or wholesale electricity or natural gas to customers in North America. If the applicant is a stand-alone entity, then no graphical depiction is required, and the applicant may respond by stating that it is a stand-alone entity with no affiliate or subsidiary companies.

Stand-alone entity with no affiliate or subsidiary companies

C-9. Financial arrangements

Provide copies of the applicant's financial arrangements to satisfy collateral requirements to conduct retail electric/natural gas business activities (e.g., parental guarantees, letters of credit, contractual arrangements, etc., as described below).

Renewal applicants may provide a current statement from an Ohio local distribution utility (LDU) that shows that the applicant meets the LDU's collateral requirements. The statement or letter must be on the utility's letterhead and dated within a 30-day period of the date the applicant files its renewal application.

First-time applicants or applicants whose certificate has expired must meet the requirements of C-9 in one of the following ways:

1. The applicant itself states that it is investment grade rated by Moody's Investors Service, Standard & Poor's Financial Services, or Fitch Ratings and provides evidence of rating from the rating agencies. If you provided a credit rating in C-4, reference the credit rating in the statement.
2. The applicant's parent company is investment grade rated (by Moody's, Standard & Poor's, or Fitch) and guarantees the financial obligations of the applicant to the LDU(s). Provide a copy of the most recent credit opinion from Moody's, Standard & Poor's or Fitch.
3. The applicant's parent company is not investment grade rated by Moody's, Standard & Poor's or Fitch but has substantial financial wherewithal **in the opinion of the Staff reviewer** to guarantee the financial obligations of the applicant to the LDU(s). The

Public Utilities Commission

parent company's financials and a copy of the parental guarantee must be included in the application if the applicant is relying on this option.

4. The applicant can provide evidence of posting a letter of credit with the LDU(s) listed as the beneficiary, in an amount sufficient to satisfy the collateral requirements of the LDU(s).

Section D: Applicant Technical Capacity

D-1. Operations

Gas Marketers: Describe the operational nature of the applicant's business, specifying whether operations will include the contracting of natural gas purchases for retail sales, the nomination and scheduling of retail natural gas for delivery, and/or the provision of retail ancillary services, as well as other services used to supply natural gas to the natural gas company city gate for retail customers.

Operations Description: IGS is a natural gas marketing company and as such IGS contracts for the supply of natural gas for ultimate delivery to its end use customers. IGS has over 50 relationships with producers of natural gas outside of Ohio, as well as a number of relationships with local producers. IGS also has a risk management department that deals primarily with matching contracts with risk avoidance programs, including hedge, fixed price matches. IGS contracts for upstream pipeline capacity and storage in order to ensure that its firm customer's gas is delivered. Also, where appropriate, IGS also takes an assignment of assets to ensure deliverability for its firm supply customers. IGS has supply and risk management teams with significant experience in natural gas

procurement and supply dedicated to ensuring that its customers receive their natural gas from IGS.

D-2. Operations Expertise & Key Technical Personnel

Given the operational nature of the applicant's business, provide evidence of the applicant's experience and technical expertise in performing such operations. Include the names, titles, e-mail addresses, and background of key personnel involved in the operations of the applicant's business.

Operations Expertise & Personnel Description: IGS has a team of ten natural gas supply professionals dedicated to the daily task of procuring the needed quantities of natural gas from our various supply sources, both in and out of Ohio, and making nominations on inter and intra state pipelines consistent with the various utility tariff guidelines. Those detailed in response to D-3, below, have been with IGS 55 years collectively, and brought with them supply, nominations and procurement expertise from previous employment experiences. IGS has also developed a team of 4 additional people dedicated to risk management, dealing both with local and supply procurement, and contract risk management.
