## STATEMENT OF AQUA OHIO, INC. INFORMING THE COMMISSION THAT THE ISSUES HAVE BEEN RESOLVED

On March 5, 2020, Aqua Ohio, Inc. (Aqua) filed an application for authority to collect a system improvement charge (SIC) for water service in its Lake Erie Division, Masury Division, and the service areas formerly served by Ohio American Water Company, Mohawk Utilities, Inc., and Tomahawk Utilities, Inc. By Entry on April 22, 2020, it was ordered that interested persons wishing to file comments regarding the Aqua's application shall file those comments no later than July 3, 2020. It was further ordered that the legal notices proposed in Exhibit A of the application, as amended by Aqua's April 9, 2020 correspondence, be approved for publication in newspapers of general circulation in each county in the service area affected by the application.

On June 29, 2020, Aqua filed its Proof of Publication concerning the approved legal notices. On July 2, 2020, the Commission Staff filed comments on Aqua's application. No other interested party filed comments on Aqua's application. Staff recommends approval of Aqua's application, subject to the proposed adjustments reflected in Attachment A to its Comments. Staff states that its recommended adjustments will impact Aqua's requested surcharge of 3.503% by reducing the percentage to approximately 3.499%. Staff also recommends that Aqua file updated schedules to reflect the adjustments in Attachment A to Staff's Comments.

Aqua hereby gives notice that it has accepted the adjustments in Attachment A to Staff's Comments. Attached to this Statement are revised schedules reflecting Staff's recommendations.

The revised schedules, which are attached to this filing, show the requested surcharge is reduced to 3.498%. Given that Aqua has adopted Staff's recommendations and no other party filed comments by the Commission's deadline, Aqua believes that a hearing in this case is unnecessary and that Aqua's application may be approved as modified by Staff's recommended adjustments.

Dated: July 10, 2020 Respectfully submitted,
