A-8. Applicant's federal employer identification number

34-1323368

A-9. Applicant's form of ownership

Form of ownership: Corporation

A-10. Identify current or proposed service areas

Identify each service area in which the applicant is currently providing service or intends to provide service and identify each customer class that the applicant is currently serving or intends to serve.

Service area selection

AEP Ohio
DP&L
Duke Energy Ohio
FirstEnergy - Cleveland Electric Illuminating
FirstEnergy - Ohio Edison
FirstEnergy - Toledo Edison

Class of customer selection

Commercial
Industrial
Mercantile
Residential

A-11. Start date

Indicate the approximate start date the applicant began/will begin offering services: 09-05-2012

A-12. Principal officers, directors, and partners

Please provide all contacts that should be listed as an officer, director or partner.

Name	Email	Title	Address
Mark Frye	mfrye@palmerenergy.com	Pres	5577 Airport Hwy, Ste 101 Toledo, OH 43615 US

A-13. Company history

Palmer Energy Company was founded in 1980 as one of the first natural gas brokerage firms in the country. Today, in response o changes in the energy industry and business needs, Palmer Energy Company has evolved into a leading unbiased energy manager for over 1000 entities, that span several thousand locations, including school districts, long-term care facilities,

healthcare facilities, manufacturers, municipalities, churches, financial institutions, commercial laundries, office buildings, greenhouses and municipal aggregations.

A-14. Secretary of State

Secretary of State Link:

Section B: Applicant Managerial Capability and Experience

B-1. Jurisdiction of operations

List all jurisdictions in which the applicant or any affiliated interest of the applicant is certified, licensed, registered or otherwise authorized to provide retail natural gas service or retail/wholesale electric service as of the date of filing the application..

Jurisdiction of Operation: Palmer Energy Company is certified as a Competitive Retail Electric Aggregator/Broker to provide retail electric aggregator/broker services within the State of Ohio.

B-2. Experience and plans

Describe the applicant's experience in providing the service(s) for which it is applying (e.g., number and type of customers served, utility service areas, amount of load, etc.). Include the plan for contracting with customers, providing contracted services, providing billing statements and responding to customer inquiries and complaints in accordance with Commission rules adopted pursuant to Sections 4928.10 and/or 4929.22 of the Ohio Revised Code.

Application Experience and Plan Description: Palmer Energy Company has been in the energy consulting business for over forty years. As an unbiased energy advisor, Palmer Energy will continue to perform rate and budget analyses, evaluate demand interval and consumption information, review contracts, forecast future demand and consumption, author Request for Proposal's, procure energy; and make alternative program recommendations. End-users enter into an agreement with the third party supplier or sign a Power of Attorney with Palmer Energy Company, or one of its subsidiaries, to act on their behalf to procure power.

As the administrator for an aggregation program, Palmer Energy Company will not invoice the end-user. End-users will be invoiced by their electric utility or third party supplier. Service calls would be made to the utility or the third party electric supplier. For questions or information regarding the program management, Palmer Energy Company has a toll-free telephone number and a designated email address.

B-3. Disclosure of liabilities and investigations

Public Utilities Commission

For the applicant, affiliate, predecessor of the applicant, or any principal officer of the applicant, describe all existing, pending or past rulings, judgments, findings, contingent liabilities, revocation of authority, regulatory investigations, judicial actions, or other formal or informal notices of violations, or any other matter related to competitive services in Ohio or equivalent services in another jurisdiction..

Liability and Investigations Disclosures: Palmer Energy Company has had no past rulings, judgements, revocations of authority or regulatory investigations that would adversely impact its financial or operational status or ability to provide services.

A complaint against Palmer Energy was filed with the Public Utilities Commission of Ohio on 5/21/2010 by Buckeye Energy Brokers, case number 10-693-GE-CSS. In the opinion based on 11/01/2011, Buckeye Energy Brokers failed to satisfy its burden of proof that Palmer Energy Company violated Sections 4928.08 and 4929.20 Revised Code. On 2/23/2012, the application for rehearing made by Buckeye Energy Brokers was denied.

B-4. Disclosure of consumer protection violations

Has the applicant, affiliate, predecessor of the applicant, or any principal officer of the applicant been convicted or held liable for fraud or for violation of any consumer protection or antitrust laws within the past five years?

No

B-5. Disclosure of certification, denial, curtailment, suspension or revocation

Has the applicant, affiliate, or a predecessor of the applicant had any certification, license, or application to provide retail natural gas or retail/wholesale electric service denied, curtailed, suspended, revoked, or cancelled or been terminated or suspended from any of Ohio's Natural Gas or Electric Utility's Choice programs within the past two years?

No

B-6. Environmental disclosures

Provide a detailed description of how the applicant intends to determine its generation resource mix and environmental characteristics, including air emissions and radioactive waste. Include the annual projection methodology and the proposed approach to compiling the quarterly actual environmental disclosure data. See 4901:1-21-09 of the Ohio Administrative Code for additional details of this requirement.

PJM disclosure option chosen

Section C: Applicant Financial Capability and Experience

C-1. Financial reporting

Provide a current link to the most recent Form 10-K filed with the Securities and Exchange Commission (SEC) or upload the form. If the applicant does not have a Form 10-K, submit the parent company's Form 10-K. If neither the applicant nor its parent is required to file Form 10-K, state that the applicant is not required to make such filings with the SEC and provide an explanation as to why it is not required.

Does not apply

C-2. Financial statements

Provide copies of the applicant's two most recent years of audited financial statements, including a balance sheet, income statement, and cash flow statement. If audited financial statements are not available, provide officer certified financial statements. If the applicant has not been in business long enough to satisfy this requirement, provide audited or officer certified financial statements covering the life of the business. If the applicant does not have a balance sheet, income statement, and cash flow statement, the applicant may provide a copy of its two most recent years of tax returns with **social security numbers and bank account numbers redacted**.

If the applicant is unable to meet the requirement for two years of financial statements, the Staff reviewer may request additional financial information.

Preferred to file this information confidentially

C-3. Forecasted financial statements

Provide two years of forecasted income statements **based solely on the applicant's anticipated business activities in the state of Ohio**.

Public Utilities Commission

Include the following information with the forecast: a list of assumptions used to generate the forecast; a statement indicating that the forecast is based solely on Ohio business activities only; and the name, address, email address, and telephone number of the preparer of the forecast.

The forecast may be in one of two acceptable formats: 1) an annual format that includes the current year and the two years succeeding the current year; or 2) a monthly format showing 24 consecutive months following the month of filing this application broken down into two 12-month periods with totals for revenues, expenses, and projected net incomes for both periods. Please show revenues, expenses, and net income (revenues minus total expenses) that is expected to be earned and incurred in **business activities only in the state of Ohio** for those periods.

If the applicant is filing for both an electric certificate and a natural gas certificate, please provide a separate and distinct forecast for revenues and expenses representing Ohio electric business activities in the application for the electric certificate and another forecast representing Ohio natural gas business activities in the application for the natural gas certificate.

Preferred to file confidentially

C-4. Credit rating

Provide a credit opinion disclosing the applicant's credit rating as reported by at least one of the following ratings agencies: Moody's Investors Service, Standard & Poor's Financial Services, Fitch Ratings or the National Association of Insurance Commissioners. If the applicant does not have its own credit ratings, substitute the credit ratings of a parent or an affiliate organization and submit a statement signed by a principal officer of the applicant's parent or affiliate organization that guarantees the obligations of the applicant. If an applicant or its parent does not have such a credit rating, enter 'Not Rated'.

File(s) attached

C-5. Credit report

Provide a copy of the applicant's credit report from Experian, Equifax, TransUnion, Dun and Bradstreet or a similar credit reporting organization. If the applicant is a newly formed entity with no credit report, then provide a personal credit report for the principal owner of the entity seeking certification. At a minimum, the credit report must show summary information and an overall credit score. **Bank/credit account numbers and highly sensitive identification information must be redacted.** If the applicant provides an acceptable credit rating(s) in response to C-4, then the applicant may select 'This does not apply' and provide a response in the box below stating that a credit rating(s) was provided in response to C-4.

File(s) attached

C-6. Bankruptcy information

Within the previous 24 months, have any of the following filed for reorganization, protection from creditors or any other form of bankruptcy?

- Applicant
- Parent company of the applicant
- Affiliate company that guarantees the financial obligations of the applicant
- Any owner or officer of the applicant

No

C-7. Merger information

Is the applicant currently involved in any dissolution, merger or acquisition activity, or otherwise participated in such activities within the previous 24 months?

No

C-8. Corporate structure

Provide a graphical depiction of the applicant's corporate structure. Do not provide an internal organizational chart. The graphical depiction should include all parent holding companies, subsidiaries and affiliates as well as a list of all affiliate and subsidiary companies that supply retail or wholesale electricity or natural gas to customers in North America. If the applicant is a stand-alone entity, then no graphical depiction is required, and the applicant may respond by stating that it is a stand-alone entity with no affiliate or subsidiary companies.

File(s) attached

Section D: Applicant Technical Capacity

D-1. Operations

Power brokers/aggregators: Include details of the applicant's business operations and plans for arranging and/or aggregating for the supply of electricity to retail customers.

Operations Description: Palmer Energy Company's primary function is providing an independent outside source of expertise so end-users can source a reliable supply of energy at the lowest practical cost.

Additionally, Palmer Energy Company consults with its clients on lowering energy costs and usage through the implementation of various alternative energy solutions.

D-2. Operations Expertise & Key Technical Personnel

Given the operational nature of the applicant's business, provide evidence of the applicant's experience and technical expertise in performing such operations. Include the names, titles, e-mail addresses, and background of key personnel involved in the operations of the applicant's business.

Experian Business Credit Score

[Back to top](#)

76

Business Credit Score

The objective of the Experian Business Credit Score is to predict payment behavior. High Risk means that there is a significant probability of delinquent payment. Low Risk means that there is a good probability of on-time payment.

Key Score Factors:

- Number of good commercial accounts.
- Ratio of balance to high credit for commercial accounts.
- Number of commercial accounts with high utilization.
- High past acct bal of continuously updated comm accts.

Business Credit Scores range from a low of 1 to high of 100 with this company receiving a score of 76. Higher scores indicate lower risk. This score predicts the likelihood of serious credit delinquencies within the next 12 months. This score uses tradeline and collections information, public filings as well as other variables to predict future risk.

Experian Financial Stability Risk Rating

[Back to top](#)

1
Financial Stability Risk
Rating

A Financial Stability Risk Rating of 1 indicates a 0.55% potential risk of severe financial distress within the next 12 months.

Key Rating Factors:

- Number of active commercial accounts.
- Risk associated with the company's industry sector.
- Risk associated with the business type.
- Balance to high credit ratio for commercial accounts.

Financial Stability Risk Ratings range from a low of 1 to high of 5 with this company receiving a rating of 1. Lower ratings indicate lower risk. Experian categorizes all businesses to fit within one of the five risk segments. This rating predicts the likelihood of payment default and/or bankruptcy within the next 12 months. This rating uses tradeline and collections information, public filings as well as other variables to predict future risk.

Exhibit C-8 Corporate Structure

Palmer Energy Company, Inc. is an Ohio chartered C corporation. As listed in A-4 of the application, Palmer Energy Company has five subsidiary companies. Palmer Energy Company and the subsidiary companies do not supply retail or wholesale electricity or natural gas to companies that aggregate customers in North America.

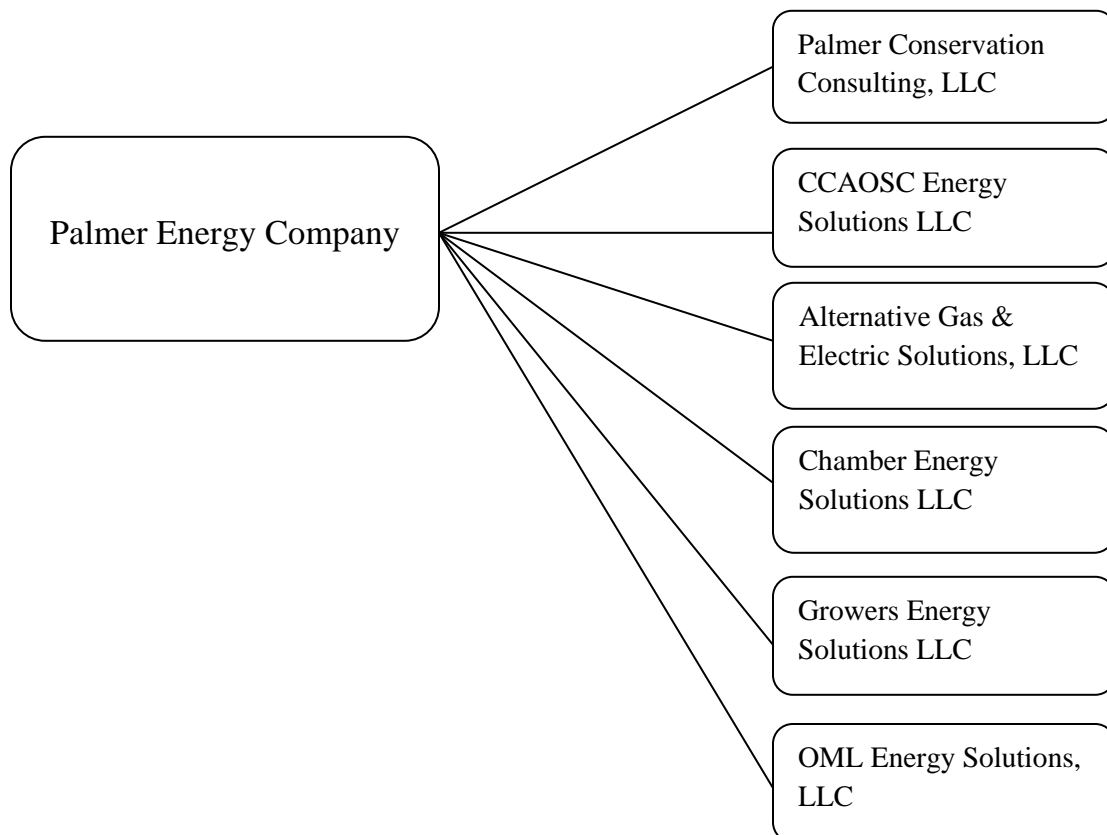

Exhibit C-4 Credit Rating

As of this filing, Palmer Energy Company has been assigned a credit rating of 1R2 by Dun & Bradstreet (DUNS 01-119-1467).

Exhibit D-2 Operations Expertise

Palmer Energy Company has been in the energy consulting business for over 40 years. Today, Palmer Energy is the energy consultant to thousands of commercial and residential end-users.

Mark R. Frye, President has over 25 years of energy procurement experience. He received a Bachelor of Science in Energy Technology from Penn State – Capital College and an Associate's Degree in Nuclear Engineering Technology from Penn State – Altoona Campus. Mark is also a Certified Energy Manager (CEM) through the Association of Energy Engineers.

Kirkland E. Mizerek, Executive Vice President has over 15 years of experience in the commercial contracting, mechanical contracting and public utility industries. He is a graduate of Lourdes College with a Bachelor of Arts in business. Kirk earned his MBA at Heidelberg College and is a Certified Energy Manager (CEM) through the Association of Energy Engineers.

Anne Schenk, Vice President of Operations. As the Vice President of Operations, Anne provides oversight of natural gas and electric operations and supervision of Palmer's internal analyst team. Anne also provides consulting and procurement services for Palmer Energy's key natural gas and electric clients.

Exhibit D-2 -Continued

Key Technical Personnel

Mark R. Frye, C.E.M. President, Palmer Energy Company

Mark Frye has been the President and majority owner of Palmer Energy since 1994. Since purchasing the company, Palmer Energy has become a leader in unbiased energy management and consulting. It has expanded dramatically as the business has evolved and now serves thousands of locations in multiple states including school districts, health care facilities, manufacturers, municipalities, houses of worship, financial institutions, commercial laundries, office buildings, retail centers, and hotels. Mark is one of the most experienced and knowledgeable energy consultants in Ohio. Due to his extensive expertise in both natural gas and electric tariffs rates and markets, he is often called upon to testify before the Public Utilities of Ohio.

Mark leads the Palmer Energy team as it consults on energy procurement and utilization matters for thousands of industrial, commercial, educational, governmental, aggregation, and institutional clients. Palmer's consulting customers include the Ohio Municipal League, Power4Schools, CCAO, Northwest Ohio Aggregation Coalition or NOAC and various Chambers of Commerce across Ohio. Palmer Energy's customers have saved hundreds of millions of dollars during his tenure. Mr. Frye has also testified as an expert witness before the PUCO on 9 separate occasions. Mr. Frye is a Certified Energy Manager and holds a B.S. in Energy Technology from Pennsylvania State University's Capitol College.

Examples of Mark's direct project experience:

- Pipeline bypass saving customer over \$120,000 per year.
- Northwest Ohio Aggregation Coalition over \$80 million in natural gas and electric costs for consumers.
- PUCO Expert Testimony & Support – Electric
 - Case No. 03-1461-EL-UNC for NOAC/NOPEC – FE Generation Shopping Credits
 - Case No. 03-2144-EL-ATA for NOAC/NOPEC – FE Rate Stabilization Plan
 - Case No. 05-376-EL-ATA for Direct Energy – AEP IGCC Application
 - Case No. 08-917-EL-SSO for School Pool – AEP Electricity Security Plan
 - Case No. 08-935-EL-SSO for NOAC/NOPEC – FE Electric Security Plan
 - Case No. 08-1094-EL-SSO for Honda/Cargill – DPL Electric Security Plan
 - Case No. 09-906-EL-SSO for NOAC/NOPEC – FE Market Rate Offer

Exhibit D- Key Technical Personnel (continued)

Anne Schenk, Vice President of Operations.

As the Vice President of Operations, Anne provides oversight of natural gas and electric operations, consulting and procurement services for Palmer Energy's key natural gas and electric clients, as well as management of the Growers Energy Solutions Natural Gas and Electric Savings Programs. Anne also serves on the Maumee Valle Growers Association Board.

- Developed energy management plan for major healthcare system resulting in annual budget reduction of over \$1 million.
- Provides Consulting services to large industrial clients securing reductions in electric and natural gas utility and supply charges.
- Managed energy savings program for network of local businesses providing savings on electric and natural gas expenditures.

Josh Felix, C.E.P

Senior Energy Analyst

Mr. Felix started with Palmer Energy as an Energy Analyst in 2013. His initial responsibilities were on electricity supplies and RFP's but he has transitioned over to natural gas procurement for Palmer's various customers. His responsibilities include tracking customers' natural gas consumption, researching futures market pricing and trends, making hedging recommendations and performing the RFP function for various gas customers. Josh has a Bachelor of Business Administration in Finance and Accounting from the University of Toledo; and received certification as a Certified Equity Professional.

Melissa Webne,

Energy Analyst

Melissa's primary duties include tracking Palmer's large electric customers to ensure customers are maximizing their savings potential, analyzing gas and electric tariffs, and helping in the day-to-day operations involving Palmer's various customer bases. Melissa also works on various special projects, including analyzing the benefits of solar energy for customers and potential customers in Ohio. Melissa received her Bachelor of Science in Industrial Engineering from West Virginia University.

Allison Webne

Energy Analyst Coordinator

Ms. Webne started with Palmer as the analyst team coordinator in January 2017. Her responsibilities include supply RFPs and contracting for Palmer's energy programs and small commercial accounts as well as monthly natural gas and electric invoice review for TPS and various other large Palmer clients. Ms. Webne has a Bachelor's of Applied Business Technology and an Associate's of Business Organization Technology from the University of Toledo.

Competitive Retail Electric Service Affidavit

County of Lucas :

State of Ohio :

Mark R. Frye, Affiant, being duly sworn/affirmed, hereby states that:

1. The information provided within the certification or certification renewal application and supporting information is complete, true, and accurate to the best knowledge of affiant, and that it will amend its application while it is pending if any substantial changes occur regarding the information provided.
2. The applicant will timely file an annual report of its intrastate gross receipts, gross earnings, and sales of kilowatt-hours of electricity pursuant to Sections 4905.10(A), 4911.18(A), and 4928.06(F), Ohio Revised Code.
3. The applicant will timely pay any assessment made pursuant to Sections 4905.10, 4911.18, and 4928.06(F), Ohio Revised Code.
4. The applicant will comply with all applicable rules and orders adopted by the Public Utilities Commission of Ohio pursuant to Title 49, Ohio Revised Code.
5. The applicant will cooperate fully with the Public Utilities Commission of Ohio, and its Staff on any utility matter including the investigation of any consumer complaint regarding any service offered or provided by the applicant.
6. The applicant will fully comply with Section 4928.09, Ohio Revised Code regarding consent to the jurisdiction of Ohio Courts and the service of process.
7. The applicant will comply with all state and/or federal rules and regulations concerning consumer protection, the environment, and advertising/promotions.
8. The applicant will use its best efforts to verify that any entity with whom it has a contractual relationship to purchase power is in compliance with all applicable licensing requirements of the Federal Energy Regulatory Commission and the Public Utilities Commission of Ohio.
9. The applicant will cooperate fully with the Public Utilities Commission of Ohio, the electric distribution companies, the regional transmission entities, and other electric suppliers in the event of an emergency condition that may jeopardize the safety and reliability of the electric service in accordance with the emergency plans and other procedures as may be determined appropriate by the Commission.
10. If applicable to the service(s) the applicant will provide, it will adhere to the reliability standards of (1) the North American Electric Reliability Council (NERC), (2) the appropriate regional reliability council(s), and (3) the Public Utilities Commission of Ohio.
11. The Applicant will inform the Public Utilities Commission of Ohio of any material change to the information supplied in the application within 30 days of such material change, including any change in contact person for regulatory purposes or contact person for Staff use in investigating consumer complaints.

12. The facts set forth above are true and accurate to the best of his/her knowledge, information, and belief and that he/she expects said applicant to be able to prove the same at any hearing hereof.

13. Affiant further sayeth naught.
