Re: TracFone Wireless, Inc. – Notice of Lifeline Service Offering  
Case Number 10-0614-TP-UNC

Dear Madam/Sir:

Pursuant to Paragraph 11 of the Commission's Supplemental Finding and Order conditionally designating TracFone Wireless, Inc. ("TracFone") as an Eligible Telecommunications Carrier, TracFone hereby provides notice to the Commission of a new Lifeline service option available to low-income households in Ohio that qualify for Lifeline service under relevant federal and state laws. Commencing on or about August 18, 2020, TracFone will offer Straight Talk® Lifeline service ("Straight Talk® Lifeline") to its Straight Talk® customers who qualify for Lifeline service. Straight Talk® is a brand of TracFone that is available in Walmart stores and online at [www.straighttalk.com](http://www.straighttalk.com). Straight Talk® Lifeline will be funded by the federal Universal Service Fund Lifeline Program and offer the same terms and conditions of service offered to TracFone's SafeLink Wireless® Lifeline customers. However, Straight Talk® Lifeline customers will receive service under the Straight Talk® brand, not the SafeLink Wireless® brand.

The terms and conditions of Straight Talk® Lifeline include the following:

- Straight Talk® customers seeking to enroll in Straight Talk® Lifeline must meet all federal and state Lifeline eligibility requirements. Applicants must complete an application form, be eligible for Lifeline service through participation in a qualifying federal government program or meeting income requirements, and certify, under penalty of perjury, that they understand and will comply with various Lifeline Program requirements.
- Straight Talk® customers who qualify for Straight Talk® Lifeline will receive the following monthly benefit plan at no charge: 350 airtime minutes, unlimited text messaging and 3 GB of mobile broadband data.
