My name is Thomas Rothgery, I reside at 361 e northwood ave in Columbus, Ohio, 43201

these images are statements made by Michael Bertolone on the hearing's livestream chat, which drive home my point that union support is not unique or specific to this proposal, but is absolutely standard and implied for any proposal that would employ union members. These images show Bertolone stating this point himself.

These screenshots can be confirmed by checking the chat on the youtube page of the hearing, as the chat is preserved.
