Welcome to the Genoa Township Natural Gas Aggregation Program!

September 7, 2020

Dear Natural Gas Consumer,

Genoa Township has selected Volunteer Energy as its retail supplier for its Natural Gas Governmental Aggregation Program. Under this 2015 voter approved program, Township officials bring together citizens in order to gain buying power for the purchase of natural gas from a retail supplier certified by the Public Utilities Commission of Ohio. As the Township's selected supplier, Volunteer Energy has offered to provide gas to Aggregation Members at a rate equal to the **NYMEX month end close plus an adder of \$0.1045 per Ccf**, for the period spanning October 1, 2020 through April 30, 2022. Prior to the end of your May 2022 billing cycle, the Township will negotiate a new rate for the next period of the program. **Columbia Gas is still your utility and will continue to provide monthly billing and service.**

You are automatically enrolled.

As an eligible Genoa Township resident or small business, you are automatically enrolled and **do not need to take any further steps in order to receive this negotiated rate.** Or, you may choose at this time to opt-out of the program by taking the steps outlined below. After you become a participant in the Township's natural gas aggregation program, Columbia Gas will send a postcard confirming your selection of Volunteer Energy as your natural gas provider. As required by law, this postcard will inform you of your option to cancel your enrollment with Volunteer Energy within seven (7) business days of its postmark date. To remain in the Township's government aggregation program, you don't need to take any action when this postcard arrives. You will be automatically enrolled. To learn more about Volunteer Energy and the Governmental Aggregation Program please see the enclosed Terms and Conditions and Frequently Asked Questions (FAQs).

If you choose to opt-out.

You don't need to do anything to get this exclusive rate. However, if you decide not to participate in the program we must receive your opt-out response by September 28, 2020 either by mail in the self addressed stamped envelope or phone.

These TERMS AND CONDITIONS OF SERVICE have important information you need to know before you commit to natural gas service from Volunteer Energy Services, Inc. ("VESI"). VESI is an Ohio corporation whose customers include a variety of Ohio natural gas end users. As a natural gas supply customer of VESI, you agree to the Terms and Conditions of VESI's natural gas supply contract.

Service Arrangement: VESI's energy supply will be delivered to your residence or facility via the Columbia Gas of Ohio's (COH) pipeline on a month to month basis. Upon acceptance by Columbia Gas of Ohio, the cost will be **NYMEX month end close plus an Adder of \$0.1045 per Ccf.**

Term: The length of supply service shall commence October 1, 2020 and continue through April 30, 2022 unless otherwise canceled by either party. Natural gas service will begin within 60 days of acceptance by Columbia Gas of Ohio. You may terminate natural gas service with VESI by providing a 30-day notice in writing or by telephone to VESI. Columbia Gas of Ohio will continue to deliver VESI-supplied natural gas to your home at the agreed upon rate.

Office Locations and Hours: VESI's offices are located at 790 Windmill Drive, Pickerington, Ohio 43147 and are open from 9:00 A.M. to 4:00 P.M. E.S.T., Monday through Friday. E-mail address is sraffell@volunteerenergy.com.

Bill Payment Process: COH will continue to bill you monthly for natural gas delivery services and also for VESI's natural gas service. Should you fail to pay the bill or fail to meet any agreed upon payment arrangement, COH may terminate your service in accordance with its company tariffs, and this agreement with VESI may be automatically terminated.

Complaint Dispute Resolution: If you have any complaints regarding your natural gas service or your monthly bill, please contact us at 1-800-977-8374. Upon request, VESI will provide you up to twenty-four months of your payment history without charge. If your complaint is not resolved after you have called VESI, or for general utility information, residential and business customers may contact the Public Utilities Commission of Ohio (PUCO) for assistance at 1-800-686-7826 (toll free) from eight a.m. to five p.m. weekdays, or at <http://www.puco.ohio.gov>. Hearing or speech impaired customers may contact the PUCO via 7-1-1 (Ohio relay service). Additionally, the Ohio consumers' council (OCC) represents residential utility customers in matters before the PUCO. The OCC can be contacted at 1-877-742-5622 (toll free) from eight a.m. to five p.m. weekdays, or at <http://www.pickocc.org>.

Emergency Service Problems: If you become aware of a gas emergency condition, or experience an unanticipated loss of gas service, you should contact COH at the telephone number listed on your gas bill.

Termination/Rescission of Agreement: You may terminate / rescind your natural gas supply enrollment with VESI within seven (7) business days of the post mark date of the confirmation letter from COH. After the initial seven (7) business day period, either you or VESI may terminate the contract at any time by providing the non-terminating party thirty (30) days written notice of such termination, without penalty. You will remain responsible for all natural gas consumed by you prior to the actual termination of service. If your supply contract with VESI is terminated, your natural gas supply will automatically be provided by COH under its standard tariff unless or until you choose another supplier. If you voluntarily terminate participation in the Village's natural gas governmental aggregation program, you may be charged a price other than the COH regulated sales service rate. **There will be no early termination fees associated with the Genoa Township program.** Service will automatically terminate upon the occurrence of any of the following: (1) the requested service location is not served by COH; (2) you move outside the COH service area or to an area not served by VESI; or (3) VESI terminates your supply agreement and returns you as a customer to COH. You have the right to terminate natural gas service with VESI, without penalty, for any reason at any time.

Program Compliance: COH's deregulation program is subject to the ongoing jurisdiction of the PUCO. If the PUCO cancels the program, this contract is rendered void with no penalty to either party. The laws of the State of Ohio will govern the terms of natural gas supply.

Eligibility: VESI's rate excludes COH charges and taxes. Natural gas service is subject to enrollment processing timelines as determined by COH and VESI's aforementioned Terms and Conditions of Service. To be eligible to participate in Genoa Township's natural gas aggregation program, you must: (1) have a residence or business located in Genoa Township; (2) be eligible to receive natural gas from COH; (3) meet Ohio non-mercantile requirements; (4) be current with your natural gas payments or payment arrangements; (5) not be enrolled in the PIPP program; and (6) currently not taking natural gas supply service from another natural gas marketer.

If you believe you received this letter in error or are not located in Genoa Township, please contact VESI to remove your account from our aggregation list.
