

In the Matter of the Application of )  
Vectren Energy Delivery of Ohio, Inc. for )  
Approval to Continue Demand Side ) Case No. 19-2084-GA-UNC  
Management Program for its Residential, )  
Commercial, and Industrial Customers. )

The Office of the Ohio Consumers' Counsel ("OCC") filed the Direct Testimony of James D. Williams on August 11, 2020. In subsequently responding to discovery served by Vectren on August 12, 2020, OCC learned that one correction to the testimony is necessary. Ordinarily, the Public Utilities Commission of Ohio permits witnesses to make minor corrections to testimony upon taking the stand for cross-examination. Because this case is proceeding as a "paper hearing" with no witness cross-examination, there will be no opportunity for such corrections. Accordingly, OCC files this notice to correct the following error in Mr. Williams' filed testimony:

- On page 23, line 9-10, Mr. Williams stated: “The Ohio allocation was approximately \$44 million.” This should be replaced with the following sentence: “The Ohio allocation was approximately \$37.7 million.” The citation in footnote 46 is correct.

Parties were notified of this error when OCC responded to Vectren's discovery requests on August 19, 2020. Initial briefs are due September 3, 2020. Thus, no party is prejudiced by this minor correction.

Respectfully submitted,

Bruce Weston (0016973)  
Ohio Consumers' Counsel
