Subject: Grover Hill wind farm

Good Afternoon

My name is Chris Pittman I live in the town of Grover Hill. I have some concerns about the new 620' wind turbines they are planning erecting just outside are very peaceful town.

- 1 The noise they will produce
- 2 Safety during a thunderstorm
- 3 light flickers in our town
- 4 Constut flickers of red lights at night
- 5 Decrease in property value
- 6 Increse in electric rate

I would truly like my voice to be heard before this is a done deal

Thank You
Chris Pittman
