SUBMITTED ON BEHALF OF THE STAFF OF  
THE PUBLIC UTILITIES COMMISSION OF OHIO

---

On July 27, 2020 CBB Carrier Services, Inc (Applicant) filed an application to abandon all telecommunications services and relinquish its Certificate of Public Convenience and Necessity (CPCN), 90-6381, pursuant to Ohio Adm. Code 4901:1-6-26. The Applicant received certification as a competitive telecommunications service provider in the state of Ohio on March 6, 2008, under case number 08-0080-TP-ACE. The Applicant offered data services to business and commercial customers.

The Applicant is relinquishing its CPCN because its product offering is no longer competitive in the market and transitioned remaining customers to other carriers. The Applicant is relinquishing its CPCNs in all states in which it has authority to operate. Customer notices were unnecessary for this application since the Applicant closed its business operations in 2018.

This application is being filed pursuant to 4901:1-6-26. Absent full or partial suspension, an application in which a company is abandoning operations is approved in accordance with the thirty-day automatic approval process set forth in Ohio Adm. Code 4901:1-6-05 of the O.A.C. Staff recommends approval of this application on August 27, 2020. Moreover, Staff will cancel Certificate No. 90-6381 and the associated TRF docket within ten business days after Commission approval.
