Reference case number: 16-1871-EL-BGN I believe the State of Ohio has an obligation to protect our natural resources and should regard the protection of Lake Erie as a priority. I do not support the Icebreaker Wind Turbine project. I am very concerned about the industrialization of Lake Erie. I strongly urge the Ohio Power Sitting Board to uphold its decision to include 33 critical conditions in its permit to build wind turbines on Ohio's greatest natural resource.

I fully support Project Icebreaker and the clean energy it will bring. I am a boater and spend a good amount of time on Lake Erie and I know there's room for both wind turbines and boaters to share our great lake.	Robert Boenau
