Case No. 20-0347-EL-BNR  
STAFF Fourth Set of Data Requests  
Date Received: September 2, 2020**

**STAFF-DR-04-001**

**REQUEST:**

In looking through S-RTEP it appears that the cost of the project - ~\$7 mm – was never mentioned on the PJM presentations. Looking at “20190520” and the cost is estimated to be \$0. Please explain why the costs were never conveyed to RTEP? The cost estimate does appear on the project status & cost allocation on PJM’s website.

**RESPONSE:** Because the project was requested by Distribution Planning, the funding for the project was coming through Distribution. The SRRTEP slides are only to include Transmission costs. In this case since Distribution was funding the project the Transmission costs were \$0.00.
