CASE NO. 20-1502-EL-UNC

### ENTRY

Entered in the Journal on September 15, 2020

{¶ 1} Ohio Edison Company, The Cleveland Electric Illuminating Company, and The Toledo Edison Company (collectively, the FirstEnergy Utilities or the Companies) are electric distribution utilities, as defined by R.C. 4928.01(A)(6), and public utilities, as defined in R.C. 4905.02, and, as such, are subject to the jurisdiction of this Commission.

{¶ 2} R.C. 4905.06 states, in relevant part, that the Commission has general supervision over all public utilities within its jurisdiction as defined in R.C. 4905.05, and may examine such public utilities and keep informed as to their general condition, capitalization, and franchises, and as to the manner in which their properties are leased, operated, managed, and conducted with respect to the adequacy or accommodation afforded by their service, the safety and security of the public and their employees, and their compliance with all laws, orders of the Commission, franchises, and charter requirements.

{¶ 3} R.C. 4905.05 states, in relevant part, that the jurisdiction, supervision, powers, and duties of the Commission extend to every public utility, the plant or property of which lies wholly within this state and when the property of a public utility lies partly within and partly without this state to that part of such plant or property which lies within this state; to the persons or companies owning, leasing, or operating such public utilities; to the records and accounts of the business thereof done within this state; and to the records and accounts of any companies which are part of an electric utility holding company system exempt under section 3(a)(1) or (2) of the "Public Utility Holding Company Act of 1935," 49 Stat. 803, 15 U.S.C. 79c, and the rules and regulations promulgated thereunder, insofar as such records

and accounts may in any way affect or relate to the costs associated with the provision of electric utility service by any public utility operating in this state and part of such holding company system.

{¶ 4} On September 8, 2020, the Ohio Consumers' Counsel filed motions in Case Nos. 17-2474-EL-RDR and 17-974-EL-UNC for an investigation and management audit of the FirstEnergy Utilities, its corporate governance and its activities regarding Am. Sub. H.B. 6, to hire an independent auditor, to reopen the distribution modernization rider audit case, and to require the FirstEnergy Utilities to show that it did not improperly use money collected from consumers or violate any utility regulatory laws, rules, or orders in its activities regarding Am. Sub. H.B. 6.

{¶ 5} The Commission has determined that this proceeding should be opened to review the political and charitable spending by the FirstEnergy Utilities in support of Am. Sub. H.B.6 and the subsequent referendum effort. Accordingly, the Companies are directed to show cause, by September 30, 2020, demonstrating that the costs of any political or charitable spending in support of Am. Sub. H.B. 6, or the subsequent referendum effort, were not included, directly or indirectly, in any rates or charges paid by ratepayers in this state.

{¶ 6} Further, the attorney examiner finds that interested parties may file comments regarding the Companies' response to this Entry by October 29, 2020 and reply comments by November 13, 2020.

{¶ 7} It is, therefore,
