Hello!

As a member of a nearby campus, I am writing in to advocate for a third hearing during OSU's academic year. As someone who genuinely cares for the environment and their community here in Columbus, this truly can have a negative impact. I, personally, did not have any knowledge of this occurring, which is not in your favor.

I am strongly advising a third hearing, in hopes for the city to rethink such decisions on our community.

Thank you,

— Emma McLaughlin
