<p>16-1871-EL-BGN</p> <p>I believe the State of Ohio has an obligation to protect our natural resources and should regard the protection of Lake Erie as a priority. I do not support the Icebreaker Wind Turbine project. I am very concerned about the industrialization of Lake Erie. I strongly urge the Ohio Power Siting Board to uphold its decision to include 33 critical conditions in its permit to build wind turbines on Ohio's greatest natural resource.</p>	Charles Hogue

<p>Regarding case 16-1871-EL-BGN, please prohibit wind turbines on Lake Erie and do not move forward with the Icebreaker Wind Turbine project. Wind turbines are unsightly and have a much larger natural footprint than a minimal-polluting natural gas electric generator.</p>	Dan J Ouellette
DO NOT "TRASH LAKE ERIE" WITH WINDMILLS!!!
