<p>Reference case number: 16-1871-EL-BGN</p> <p>I believe the State of Ohio has an obligation to protect our natural resources and should regard the protection of Lake Erie as a priority.</p> <p>I do not support the Icebreaker Wind Turbine project. I am very concerned about the industrialization of Lake Erie. I strongly urge the Ohio Power Siting Board to uphold its decision to include 33 critical conditions in its permit to build wind turbines on Ohio's greatest natural resource.</p>	
<p>Reference case number: 16-1871-EL-BGN</p> <p>I believe the State of Ohio has an obligation to protect our natural resources and should regard the protection of Lake Erie as a priority. I do not support the Icebreaker Wind Turbine project. I am very concerned about the industrialization of Lake Erie. I strongly urge the Ohio Power Sitting Board to uphold its decision to include 33 critical conditions in its permit to build wind turbines on Ohio's greatest natural resource. I also believe any industrialization of our great state by a foreign party should require employment of Ohioan's. Creating only 9 permanent jobs is pathetic. I strongly, strongly opposed tax credits of any kind to a foreign owned entity.</p> <p>Thank you for fighting for Lake Erie.</p>	Wesley Roepke
