Re: Join us for an Online Ross County Solar Project Public Information Meeting
Dear,

We hope this letter finds you and your family healthy and well. We are contacting you as an adjacent landowner or tenant to invite you to a Public Information Meeting for the Ross County Solar Project. The Ross County Solar Project Public Information Meeting will replace the traditional in-person Public Information Meeting for this Project due to the COVID-19 pandemic. The health and safety of community members near our projects is very important to us, as is the dissemination of information regarding our planned local solar energy development. For these reasons, we invite you and your neighbors to attend the online session, a phone session, or contact us directly with questions or for additional information (details below).

About the Project

Contombor 9 2020

The Ross County Solar Project is a proposed up to 120 megawatt (MW) solar energy project under development east of the Village of Greenfield in Ross County. The Project will maximize energy production from solar resources to deliver clean, renewable electricity to the regional transmission system to serve the needs of electric utilities and their customers. Ross County Solar, LLC, is a subsidiary of Geronimo Energy, a National Grid Company. Geronimo Energy has successfully developed renewable energy projects throughout North America - and we look forward to presenting this project to you and other community stakeholders.

Public Information Meeting Logistics

We are planning an approximately one-hour-long online session for the Ross County Solar Project Public Information Meeting on September 30th at 6:00 PM EDT.

- ✓ The Public Information Meeting will be structured as a presentation about solar energy, Geronimo Energy, the Ross County Solar Project, and the Ohio Power Siting Board permitting process.
- ✓ Speakers include Geronimo Energy experts, as well as outside consultants.
- ✓ Throughout the session, we will be answering written questions from attendees.
- ✓ Following the session, Geronimo Energy will post a compilation of the information session's Q&A, as well as a recording of the information session on the project's webpage at https://geronimoenergy.com/ross-county/.

How to Register for the Public Information Meeting

Geronimo Energy is utilizing the GoToWebinar platform to host this Public Information Meeting. We highly recommend registration to maximize your experience. If you would not like to register, a separate link will be provided on our website to view the meeting via a live stream option.

1. Prior to the Event Date

Please navigate to the project's webpage, https://geronimoenergy.com/ross-county/, where there is a link to register for the event.

2. After You Register

Upon completing the online registration form, you will be sent a confirmation email with a link for the live event. Save this email and mark your calendar so you have this information on the evening of the session.

(See Page 2 for Additional Details)

3. On the Date of the Meeting

Open the confirmation email you received from GoToWebinar and click on the link provided. You will be directed to the online event webpage. If you miss the meeting, a video recording will also be available via the Project website.

Using GoToWebinar

We encourage you to learn how to use GoToWebinar by visiting this website: https://support.goto.com/webinar/how-to-join-attendees.

Alternative Phone Based Meeting

An alternative phone-based meeting will be held on September 30th at 8:00 PM ET. At the time of the phone-based meeting, please call (571) 317-3112 and enter Access Code 879-752-485#. Paper copies of presentation materials have been included along with this letter for your convenience.

Ohio Power Siting Board Process

Under Ohio Law, electric generating facilities capable of producing 50 MW or more must apply for a Certificate of Environmental Compatibility and Public Need from the Ohio Power Siting Board (OPSB). The OPSB provides for a single unified process by which facilities can obtain a certificate to operate. Generally speaking, the OPSB process includes a public information meeting, submittal of certificate application, 60-day staff completeness review, application acceptance, OPSB staff review and recommendation, public hearing, adjudicatory hearing, and certificate issuance/denial. There are various avenues for public participation throughout the permitting process. This includes commenting on the docket, attending public hearings, and more. You are also welcome to contact the OPSB directly for more information, and opportunities to stay informed regarding the process are listed to the right.

Notice of Public Information Meeting for Proposed Major Utility Facility

Ross County Solar, LLC, a subsidiary of Geronimo Energy, LLC, a National Grid Company, has scheduled a Public Information Meeting for Wednesday, September 30, 2020 to outline plans to build the Ross County Solar Project (the "Project"). The proposed Project is located in Ross County, Ohio and will have a maximum total project generating capacity of up to 120 megawatts. The general purpose of the Project is to maximize energy production from solar resources to deliver clean, renewable electricity to the regional transmission system to serve the needs of electric utilities and their customers. Ross County Solar anticipates filing its application with the Ohio Power Siting Board in October of 2020. Construction is estimated to begin as early as 4th quarter of 2021, with commercial operations in 2022.

Due to the ongoing public health crisis, the public information meeting will be held remotely on Wednesday, September 30, 2020, beginning at 6:00 pm. An alternative phone-based meeting option is also available (details below). A link to participate in the online session or alternatively view the session without registration is available via the Project website at https://geronimoenergy.com/ross-county/. A video recording of the presentation will be posted to the website following the meeting. Comments will be solicited live during the meeting and can also be submitted following the meeting.

If you do not have access to internet, and would like to learn more about the Project, an alternative call-in based meeting will be held on September 30, 2020 at 8:00 PM. At the time of the phone-based meeting, please call (571) 317-3112 and enter Access Code 879-752-485#.

If you have questions, would like to obtain paper copies of presentation materials, or to comment via mail, please call Ross County Solar at 937-519-2007.
