

DIS Case Number: 12-2381-EL-AGG

Section A: Application Information

Section B: Applicant Managerial Capability and Experience

Section C: Applicant Financial Capability and Experience

Section D: Applicant Technical Capacity

D-1. Operations

Power brokers/aggregators: Include details of the applicant's business operations and plans for arranging and/or aggregating for the supply of electricity to retail customers.

Operations Description: We currently have relationships with electricity suppliers such as Energy Harbor, Duke Energy Retail, Constellation Energy, IGS Energy, Direct Energy, AEP Retail, DPL Energy Resources, MP2 Energy, Smartest Energy, and NextEra Energy to serve the supply of electricity to retail customers. We provide electricity contracting and consulting services to our customers, and do not plan to do end customer billing unless we have a consulting contract with the customer.

D-2. Operations Expertise & Key Technical Personnel

Given the operational nature of the applicant's business, provide evidence of the applicant's experience and technical expertise in performing such operations. Include the names, titles, e-mail addresses, and background of key personnel involved in the operations of the applicant's business.

Operations Expertise & Personnel Description: Provider is a multi-faceted firm with 25 years in the industry. GEM has actively been serving the energy needs of our customers over this time period. We have provided electricity contracting and consulting services to over 150 different customers over the last several years.
