**Case No. 07-0891-EL-CRS**

On April 24, 2020, NOPEC, Inc. filed an application with the Commission to renew its certificate to operate in Ohio as a competitive retail electric service (CRES) provider. On June 30, 2020, the renewal application was suspended in order to give the Commission and Staff additional time to consider the application.

Staff has completed its evaluation and review of the application and accompanying exhibits. Based on this review, Staff believes the application filed by NOPEC on April 24, 2020 is in compliance with Ohio Administrative Code and therefore, Staff recommends that this application be approved.
