SUPPLEMENTAL TESTIMONY OF NOAH WATERHOUSE

Q.1. Please state your name, title and business address.

A.1. My name is Noah Waterhouse. I am the Director of Solar - Civil Engineering for EVS, Inc. My business address is 10025 Valley View Road, Suite 140, Eden Prairie, MN 55344.

Q.2. On whose behalf are you offering testimony?

A.2. I am testifying on behalf of the Applicant, Alamo Solar I, LLC.

Q.3. Did you previously provide testimony on behalf of the Applicant?

A.3. Yes, on July 17, 2019.

Q.4. What is the purpose of your supplemental testimony?

A.4. To address the changes made to Condition 16 in the Amended and Restated Joint Stipulation and Recommendation filed on July 30, 2020 (“Amended Joint Stipulation”).

Q.5. Have you reviewed the Amended Joint Stipulation?

A.5. Yes.

Q.6. Do you support Condition 16 in the Amended Joint Stipulation?

A.6. Yes. I previously testified in support of Condition 16 in the Joint Stipulation and Recommendation that was filed in this proceeding on July 5, 2019 (the “Joint Stipulation”). The Amended Joint Stipulation clarifies and expands the scope of Condition 16. First, it clarifies that the determination of the benchmark conditions of the

1 affected drainage systems includes measuring both surface and subsurface drainage
2 systems. Second, it requires the Applicant to investigate the location of various
3 waterways, not only by survey, but also by contacting the adjacent landowners and
4 requesting pertinent information. I continue to support Condition 16 for the reasons
5 stated in my prior testimony as well as for the clarification and expansion of scope of
6 landowner contacts.

7 **Q. 7. Is Condition 16 in the Amended Joint Stipulation in the public interest?**

8 **A.7.** Yes. Condition 16 continues to benefit the public interest by ensuring the
