Staff Review and Recommendation for

YNJ Management LLC

Case No. 18-0388-EL-AGG

On February 12, 2020, YNJ Management LLC filed an application with the Commission for renewal of its certification as a competitive retail electric service (CRES) provider. On March 12, 2020, the renewal application was suspended in order to give the Commission and Staff additional time to consider the application.

The application, as filed, did not include all the necessary information to complete a thorough review of the Applicant's ability to provide CRES in Ohio. There has been no additional information filed in the docket for YNJ Management since the case was suspended, and the application remains incomplete. Therefore, Staff is recommending that this application be dismissed.
