Exhibit C-1

Financial Reporting

Kiwi Energy NY LLC is a wholly-owned subsidiary of Richmond Road Holdings LLC, a privately owned entity. As such, we are not required submit to public filings with the SEC.

Exhibit B-2

Experience and Plans

Currently, Kiwi Energy NY LLC (“Kiwi Energy”) provides electric and natural gas supply service to mainly residential customers. At this time, Kiwi Energy mostly operates in the Duke Energy territory.

Kiwi Energy contracts with customers directly through traditional marketing and sales methods including but not limited to door-to-door, telemarketing and online enrollment. In all marketing and sales operations, Kiwi Energy adheres to all Ohio consumer protection laws, PUCO regulations and standards, utility market rules and procedures and applicable federal laws. Kiwi Energy uses third party verification when required in its sales and marketing activity and will enroll customers consistent with the procedures outlined in the Ohio Administrative Code.

Kiwi Energy maintains a customer service hotline for customers in Ohio at 1-877-208-7636, in addition to an e-mail address at info@kiwienergy.us in order to respond to customer inquiries and complaints. Kiwi Energy uses utility consolidated billing to provide bills to customers and posts rates to the PUCO Apples-to-Apples site as required.

Exhibit D-1

Operations

Kiwi Energy NY LLC's business operations include the contracting of natural gas purchases for retail sales, the nomination and scheduling of retail natural gas for delivery, and the provision of retail ancillary services, as well as other services used to supply natural gas to the natural gas city gate for retail customers.

Exhibit B-1

Jurisdictions of Operation

Kiwi Energy NY LLC is authorized by the Federal Energy Regulatory Commission (“FERC”) to sell electricity at market based rates under FERC Docket No. ER13-1698-000. Kiwi Energy NY LLC has been deemed eligible to provide retail electricity and natural gas in the states of New York and Ohio.

Spring Energy RRH, LLC d/b/a Spring Power & Gas, an affiliate of Kiwi Energy NY LLC is licensed to provide retail electricity and natural gas in New Jersey, Maryland and Pennsylvania.

Exhibit D-2**Operations Expertise**

Richard Booth, President of Retail Operations.

Richard Booth brings more than 12 years of experience in overseeing operations and acquiring customers in the competitive energy markets in the United States, New Zealand and Australia. Richard currently oversees the operations at Kiwi Energy NY LLC d/b/a Kiwi Energy (currently operating in New York and Ohio). Richard also oversees the operations for Spring Energy RRH LLC, which operates as Spring Power & Gas in New Jersey, Maryland and Pennsylvania. Previously, Richard was in a similar role at Frontier Utilities based in Texas. Prior to his role at Frontier Utilities, Richard was the General Manager of Sales and Marketing at Victoria Electricity where he was responsible for a team of 200 employees which consisted of 12 supply partners and 150 staff members. This team covered customer acquisition and retention, and marketing and electricity, gas and telecommunications markets in Victoria, New South Wales, Queensland and South Australia. Richard's team was also responsible for Ecogold, a loyalty program which included an environmental fund with ongoing communication of special offers to customers from various business partners. When Richard left Victoria Electricity to set up Frontier Utilities in Texas, the company had more than 400,000 customers. Prior to joining Victoria Electricity, Richard managed the commercial sales team at Energy Online.

Lisa Hawkins, Chief Financial Officer.

Lisa joined Kiwi Energy as the Chief Financial Officer in April 2012. Lisa is responsible for managing the financial and economic risks of the company. She manages the financial planning, record keeping, and reporting for Kiwi Energy. Prior to joining Kiwi, Lisa was a Manager within the Assurance Practice at PricewaterhouseCoopers, LLP ("PwC"). There she gained significant experience in public and private client audits within a range of industries including mortgage banking, oil & gas, manufacturing, and other financial services. She assisted her clients with SEC filings, including Form 10-K and 10-Q filings, governmental compliance requirements and public and private debt/equity offering transactions. She has served multinational corporations as well as venture capital funds. She earned a Bachelor's degree in Business Administration and Master in Professional Accounting from The University of Texas and is a licensed Certified Public Accountant in both the states of Texas and New York.

Michael Lordi, Vice President of Supply.

Michael has been the VP of Supply for Kiwi Energy since July 2014. He has over 25 years of experience in the energy industry. After receiving a degree in electrical engineering, Michael joined the transmission planning department at Consolidated Edison Company in New York. He continued power system planning and operations at the Northeast Power Coordinating Council (NPCC). At NPCC, Michael performed studies that determine power transfer capabilities in the Northeast and Mid-Atlantic regions. Michael moved to trading electricity and natural gas when he joined Enron Power Marketing. Michael next held senior trading position at Duke/Louis Dreyfus and CNG Energy Services. At CNG, Michael was responsible all wholesale and retail electricity activities. Following CNG, Michael joined Électricité de France (EDFT) in London. At EDFT, he was head of all electricity trading and asset optimization in Europe. Before joining Kiwi Energy, Michael was the Executive Director of Retail Energy Business Development at Gulf Oil. At Gulf Oil, Michael was responsible for the retail electric business unit including supply desk activities.

Competitive Retail Natural Gas Service Affidavit

County of Broward :

State of Florida :

Richard Booth, Affiant, being duly sworn/affirmed, hereby states that:

1. The information provided within the certification or certification renewal application and supporting information is complete, true, and accurate to the best knowledge of affiant, and that it will amend its application while it is pending if any substantial changes occur regarding the information provided.
2. The applicant will timely file an annual report of its intrastate gross receipts and sales of hundred cubic feet of natural gas pursuant to Sections 4905.10(A), 4911.18(A), and 4929.23(B), Ohio Revised Code.
3. The applicant will timely pay any assessment made pursuant to Sections 4905.10 and 4911.18(A), Ohio Revised Code.
4. Applicant will comply with all applicable rules and orders adopted by the Public Utilities Commission of Ohio pursuant to Title 49, Ohio Revised Code.
5. Applicant will cooperate fully with the Public Utilities Commission of Ohio and its staff on any utility matter including the investigation of any consumer complaint regarding any service offered or provided by the applicant.
6. Applicant will comply with Section 4929.21, Ohio Revised Code, regarding consent to the jurisdiction of the Ohio courts and the service of process.
7. Applicant will comply with all state and/or federal rules and regulations concerning consumer protection, the environment, and advertising/promotions.
8. Applicant will inform the Public Utilities Commission of Ohio of any material change to the information supplied in the application within 30 days of such material change, including any change in contact person for regulatory purposes or contact person for Staff use in investigating consumer complaints.
9. The facts set forth above are true and accurate to the best of his/her knowledge, information, and belief and that he/she expects said applicant to be able to prove the same at any hearing hereof.
10. Affiant further sayeth naught.
