RE: *In the Matter of application of Ohio Power Company to update its Storm Damage Recovery Rider Rates, Case No. 20-859-EL-RDR.*

Dear Docketing Division:

In its Staff Review and Recommendation dated November 10, 2020, Staff recommended a total disallowance of \$139.23 in this case. On November 13, 2020, Ohio Power filed reply comments disagreeing with Staff's recommended disallowance. Staff has confirmed that the recommended disallowance was already accounted for in the data received from Ohio Power Company and agrees that no adjustment is necessary.
