

RESOLUTION 91-20

Resolution to Reject the Proposed Solar Farm Project

Whereas, The Board of Shawnee Township Trustees unanimously approve a resolution to defeat the proposed solar project instituted by Birch Solar, LLC, and which directly affects Shawnee Township properties, for the reason that the construction of the same will be adverse to the residents of the Township.

We will immediately investigate the authority/access for the Trustees to intervene and perform feasible and reasonable acts to dissuade the Ohio Power Sitting Board.
