Re: *In the Matter of the Application of the Alternative Energy
Rider and Auction Cost Recovery Rider for Ohio Power
Company, Case No. 20-1745-EL-RDR*

Dear Ms. Troupe:

On November 25, 2020, Ohio Power Company (AEP Ohio) filed its Application in this proceeding to initiate an update to the AER methodology based on passage of HB 6 last year. Subsequently, an error was discovered on lines 3 and 6 of Schedule 2 where the proposed rate was inadvertently labeled as "Cents/kWh" when it should have been labeled as "\$/kWh." The enclosed revised Schedule 2 corrects this error.

I apologize for any inconvenience this error may have caused and thank you for your attention to this matter.

Regards,

/s/ Steven T. Nourse
