DOCKETING CASE #: 20-1428

SUBJECT: Christi Water System Inc - Rates & Tariffs

Please docket the associated customer comment "I thought I had filed a complaint before but I don't see it listed. I think that the increase in rates the Christi Water is asking for is too high. We try to limit our water usage so our bill won't be too high but with the increase they are asking for that won't be possible. It will double what we are paying now! I don't think they should be able to set the minimum fee and usage that high." in the case number referenced above under "Public Comments". This information was received by the Consumer Services Division through alternate channels and is being forwarded to be filed formally.
