REPUBLIC WIND, LLC’S LIST OF ISSUES FOR CROSS-EXAMINATION

On October 30, 2020, the Ohio Power Siting Board’s (“OPSB” or “Board”), through its administrative law judge (“ALJ”), issued an entry that ordered parties to file their lists of issues for cross-examination by December 23, 2020. In the October 30, 2020 entry, the ALJ instructed the parties to list the “specific concerns about which they may be interested in pursuing cross-examination of witnesses at the evidentiary hearing.” Republic Wind, LLC (“Republic”) hereby submits its cross-examination issues list:

1. Staff’s investigation, findings, and recommendation regarding condition 15;
2. Republic may pursue cross-examination of any party called as a witness to the case regarding matters relevant to this proceeding;
3. Republic may pursue cross-examination from any individual subpoenaed to attend this proceeding; and
4. Republic reserves the right to amend or supplement this issues list. Further, Republic’s failure to include an issue on this list does constitute a waiver of Republic’s right to cross-examine witnesses on additional issues at the hearing.

Respectfully submitted on behalf of:
