DOCKETING CASE #: 20-1605-EL-BGN

SUBJECT: Projected Solar Project

Please see below for the consumer's comments:

Dear Ohio Power Board Members,
I am writing in 100% opposition to the massive solar project invasion. This greed deeply affects our peaceful neighborhoods, home property values, destroys our rich agricultural land that provides a tremendous food source, aesthetically destroys the beauty of the neighborhoods and surrounding land, disrupts the wildlife population and so much more. Please take regard and heart for those who are opposing this monumental project that will line the pockets of a few and destroy much more for the local residents and beyond. Thank you.
Sincerely, Patty Gaffer

Sincerely,

Drake Riley
