Dear Ohio Administrators!

I swear to God! I pray to Christ! I pray to God everyday! I did not touch my phone or take Mr. Beyer's pictures while he was using his laser device.

I think Mr. Trooper C. Beyer made a mistake. At that time, there was a lot of traffic going around. Mr. Beyer picks on me but I did not perform any illegal actions like pull out my phone to take pictures of him. I was traveling on the third lane when I notice Mr. Beyer's car in the middle lane at around 1/2 miles to 3/4 miles distance. When I got close by to him, I saw him using laser device. At that moment, some trucks over 65 mph pass by me though the middle lane which block my

view to Mr. Beyer's car. After the truck's pass me, then I gain sight on Mr. Beyer again. But before I lose sight on Mr. Beyer, when a white truck was getting ready to pass by me though the middle lane, I saw Mr. Beyer quickly put down his laser device then he swiftly took around traffic westbound. After that he suddenly stare at me for two seconds, then he quickly pull off middle of the lanes and follow behind me real quick.

Thank you very much!
