

THE PUBLIC UTILITIES COMMISSION OF OHIO

IN THE MATTER OF THE APPLICATION OF
CULLISON, DAVID RESIDENCE – 9.10 kW
FOR CERTIFICATION AS AN ELIGIBLE
OHIO RENEWABLE ENERGY RESOURCE
GENERATING FACILITY.

CASE NO. 21-64-EL-REN

ENTRY

Entered in the Journal on January 22, 2021

{¶ 1} On December 31, 2021, David Cullison filed the above-captioned application pursuant to Ohio Adm.Code 4901:1-40-04(D) for the certification of a facility as an eligible Ohio renewable energy resource generating facility, as defined in R.C. 4928.01.

{¶ 2} Ohio Adm.Code 4901:1-40-04(D)(2) provides that if the Commission takes no action with respect to an application within 30 days of filing, the application is deemed automatically approved on the 31st day after the date filed.

{¶ 3} Ohio Adm.Code 4901:1-40-04(D) further provides that, upon good cause shown, the Commission may suspend the certification of an application. The attorney examiner finds that good cause exists to suspend the 30-day approval process for the above-captioned case in order for the Commission and its staff to further review these matters.

{¶ 4} It is, therefore,

{¶ 5} ORDERED, That the automatic approval process for certification as an eligible Ohio renewable energy resource generating facility be suspended for the application in the above-captioned case. It is, further,

{¶ 6} ORDERED, That a copy of this Entry be served upon all parties of record.
