Ohio Power Company (“AEP Ohio” or the “Company”), pursuant to Rule 4901-1-24, Ohio Admin. Code, hereby moves the Commission for a protective order regarding information claimed by TimkenSteel Corp. (“TimkenSteel”), PRO-TEC Coating Company, LLC (PRO-TEC) and JSW Steel Ohio, Inc. (“JSW”) to be confidential and proprietary which information is being included in the confidential/unredacted versions of Schedules 2, 3, 4 and 5 supporting the Application in this case, which contain confidential load data for the affected customers. These customers are expected to move for intervention in this case and file motions for protective orders for the similar data reflected in the original schedules filed in support of the Application.
