Dear Ms. Troupe:

The Company is proposing to construct the Anguin Extension No. 4 138 kV Transmission Line Project (“Project”) located in Licking County, Ohio. The Project involves constructing a 0.4 mile double-circuit extension to a customer facility. The Project is the second phase of the customer’s development. The Project will be constructed between two customer-owned substations and located solely on customer property.

The Company anticipates that construction of the Project will begin in the second quarter of 2021. The anticipated in-service date for the Project is July 2021.

Code 4906-6-04(A), a copy of the Company’s application will be submitted to the executive director or the executive director’s designee at or before the application’s filing. A copy will also be provided to the Board Staff via electronic message. The Company will also submit a check in the amount of \$2,000 to the Treasurer, State of Ohio, for the expedited fees.

Respectfully submitted,

/s/ Tanner S. Wolffram
