Dear Secretary Troupe:

In accordance with OAC § 4901:1-24-11(B)(6) and § 4901:1-27-11(B)(6), Interactive Energy Group LLC, Just Energy Solutions Inc., Hudson Energy Services, LLC, affiliates of the Just Energy Group Inc. (“Just Energy”) and registered retail natural gas suppliers, competitive retail electric service providers, and brokers, provide the following update.¹

As a result of charges arising from the unprecedented winter storm in Texas in February 2021, Just Energy faced an unforeseeable liquidity challenge. On March 9, 2021, Just Energy announced that it has sought and received protection via an Initial Order under the *Companies’ Creditors Arrangement Act* (“CCAA”) in Canada and has sought similar protection under Chapter 15 of the U.S. Bankruptcy Code. The entities in the caption above are listed as debtors in the CCAA and Chapter 15 proceedings. As part of the CCAA process, Just Energy has obtained financing to enable Just Energy to continue, uninterrupted, its day-to-day operations while Just Energy restructures its financial obligations. Just Energy will continue to meet its financial and regulatory obligations and will continue to provide services to its valued customers, including customers in Ohio. The filings will have no impact on customer bills.

Interactive Energy Group LLC’s, Just Energy Solutions Inc.’s, Hudson Energy Services, LLC’s names, websites, emails, telephone numbers, customer service contacts, business addresses, and key operating personnel all remain the same. Please do not hesitate to reach out to the undersigned if you have any questions.

Sincerely,

Vanessa Anesetti-Parra
