**Case No. 03-2272-EL-CRS**

On April 17, 2020, AK Electric Supply LLC (AK) filed an application with the Commission seeking to renew its certification as a competitive retail electric service (CRES) provider. On June 30, 2020, the certification application was suspended in order to give the Commission and Staff additional time to consider the application.

Staff has completed its evaluation and review of the application and accompanying exhibits. Based on this review, Staff believes the application is in compliance with Ohio Administrative Code and therefore, Staff recommends that this application be approved.
