*Re: In the Matter of the Application of Ohio Power
Company to Update Its Basic Transmission Cost
Rider, Case No. 21-53-EL-RDR*

Dear Ms. McNeal:

On March 4, 2021, AEP Ohio updated its Basic Transmission Cost Rider (BTCR) filing in this docket and enclosed the final revised rate proposal. On March 10, 2021, Staff docketed its review and recommendation letter. Staff's only exception was that the Company adjust the costs billed to PALAOH's in June and July of 2020 from the BTCR so those costs can be further evaluated if the Company engages in a bilateral adjustment and incurs the expense. The Company hereby agrees to remove \$5,610 associated with the PALAOH expense without prejudice to future review and inclusion in the BTCR.

Thank you for your attention to this matter.

Respectfully Submitted,

//s/ Steven T. Nourse
