I am writing to express my support for the Birch solar project's application with the Ohio Power Siting Board.
[Insert your reasons for supporting the project here. A few things you might mention – protecting local farmers' property rights and livelihoods; providing clean energy for Ohio; strengthening the local economy with increased annual revenue; attracting major business to our area; Lightsource bp's commitment to listening and working with community members. Whatever's important to you.] [Sign your note at the bottom, and make sure to mention which town or county you live in.]
