Construction Notice
Bellard Substation Project
Case Number 21-0194-EL-BNR

Dear Official,

AMP Transmission, LLC (AMPT) has recently filed with the Ohio Power Siting Board (OPSB) an application for approval to construct the Bellard Substation Project (Project) in Bowling Green, Wood County, Ohio. This letter is to notify you of the Project, in compliance with Ohio Administrative Code 4906-6-07. The Project includes construction of a 138/69 kilovolt (kV) substation equipped with one 138 kV circuit breaker, one 138/69/12 kV transformer, and three 69 kV circuit breakers. A new 0.17-mile 138 kV transmission line will be constructed to tie the proposed Bellard Substation to the existing American Transmission Systems Inc. (ATSI) Brim Substation, which is located at the northwest corner of Brim and Bishop roads.

The Project is a mandatory PJM Regional Transmission Expansion Plan (RTEP) baseline project (Project Number B3159). Specifically, the Project will mitigate identified N-1-1 thermal and voltage violations, provide improved system load serving capability, and promote economic development activities in the Bowling Green load serving territory. The Project will enhance the efficiency, reliability, and operational flexibility of the transmission system in the Wood County area.

An electronic copy of the construction notice filed with the OPSB is available on AMPT's website (<https://www.amppartners.org/about/amp-transmission/projects>) or on the OPSB docket (<http://dis.puc.state.oh.us/CaseRecord.aspx?CaseNo=21-0194&x=15&y=16>) similar letter with information on how to download the application was provided to Kristin Wentzel, Information Services, at the Wood County District Public Library.

If you have any questions about the proposed Project or would like to request a paper copy of the application, please contact me via email at lmcalister@amppartners.org.

On behalf of the Members,

Construction Notice
Bellard Substation Project
Case Number 21-0194-EL-BNR

Dear Ms. Wetzel,

AMP Transmission, LLC (AMPT) has recently filed with the Ohio Power Siting Board (OPSB) an application for approval to construct the Bellard Substation Project (Project) in Bowling Green, Wood County, Ohio. This letter is to notify you of the Project, in compliance with Ohio Administrative Code (O.A.C.) 4906-6-07. The Project includes construction of a 138/69 kilovolt (kV) substation equipped with one 138 kV circuit breaker, one 138/69/12 kV transformer, and three 69 kV circuit breakers. A new 0.17-mile 138 kV transmission line will be constructed to tie the proposed Bellard Substation to the existing American Transmission Systems Inc. (ATSI) Brim Substation, which is located at the northwest corner of Brim and Bishop roads.

Specifically, the Project will mitigate identified N-1-1 thermal and voltage violations, provide improved system load serving capability, and promote economic development activities in the Bowling Green load serving territory. The Project will enhance the efficiency, reliability, and operational flexibility of the transmission system in the Wood County area.

Thus, in accordance with O.A.C. 4906-6-07 we are providing the Wood County District Library with a copy of this letter so members of the community can view an electronic copy of the construction notice filed with the OPSB on AMPT's website (<https://www.amppartners.org/about/amp-transmission/projects>) or on the OPSB docket (<http://dis.puc.state.oh.us/CaseRecord.aspx?CaseNo=21-0194-EL-BNR>). Additionally, community members may request a paper copy for no more than the cost of printing and shipping on AMPT's website.

We request the library keep this letter available to the public through June 1, 2022, when construction is proposed to be completed. If you have any questions about the proposed Project, please contact me via email at kmagovac@amppartners.org.

Construction Notice
Bellard Substation Project
Case Number 21-0194-EL-BNR

Dear «Salutation»:

AMP Transmission, LLC (AMPT) has recently filed case number 21-0194-EL-BNR with the Ohio Power Siting Board (OPSB). In compliance with Ohio Administrative Code 4906-6-08, AMPT is providing you notice of the proposed Bellard Substation Project (Project) in Bowling Green, Wood County, Ohio. The Project includes construction of a 138/69 kilovolt (kV) substation equipped with one 138 kV circuit breaker, one 138/69/12 kV transformer, and three 69 kV circuit breakers. A new 0.17-mile 138 kV transmission line will be constructed to tie the proposed Bellard Substation to the existing American Transmission Systems Inc. (ATSI) Brim Substation, which is located at the northwest corner of Brim and Bishop roads. The figure below shows the general location and layout of the facility.

The Project is a mandatory PJM Regional Transmission Expansion Plan baseline project (Project Number B3159). Specifically, the Project will provide improved system load serving capability and promote economic development activities in the Bowling Green load serving territory. The Project will enhance the efficiency, reliability, and operational flexibility of the transmission system in the Wood County area.

An electronic copy of the application filed with the OPSB is available on AMPT's website (<https://www.amppartners.org/about/amp-transmission/projects>) or on the OPSB docket (<http://dis.puc.state.oh.us/CaseRecord.aspx?CaseNo=21-0194-EL-BNR>). A letter with a link to the digital copy

of the application was provided to Kristin Wentzel, Information Services, at the Wood County District Public Library. Additionally, you can request a paper copy for no more than the cost of printing and shipping on AMPT's website.

You may comment on this Project by mailing your comments to the OPSB at 180 East Broad Street, Columbus, Ohio 43215-3793 or by contacting the OPSB via phone at (866) 270-6772 or via email at contactopsb@puc.state.oh.us. You may file petitions to intervene in the OPSB process to the siting board up to 10 days following the public notice announcing the Project. Additionally, you can comment on the Project by contacting me via email at kmagovac@amppartners.org.
