Re: In the Matter of the Application of Duke Energy Ohio, Inc., for a Letter of Notification for
the Greendale Substation Expansion Project
OPSB Case No. 21-229-EL-BLN

Dear Ms. Troupe:

Duke Energy Ohio, Inc., (Duke Energy Ohio) is filing this Pre-Application Notification Letter in accordance with O.A.C. 4906-6-03(A).

Duke Energy Ohio proposes to expand the existing 138-kV Greendale Substation by approximately 300 square feet (approximately 21 percent) to install approximately 50 feet of new fencing around a secondary oil containment berm. The substation expansion will expand the existing 138-kV Greendale Substation to improve onsite oil containment from potential underground transmission systems and add flood protection within the substation.

Construction is scheduled to begin in June 2021 pending approval of this Letter of Notification. The Project is anticipated to be completed and in service by August 15, 2021.

Pursuant to O.A.C. 4906-6-04, Duke Energy Ohio is requesting an expedited review.

Sincerely,

/s/ Jeanne W. Kingery
