Business Credit Score

Medium-High Risk

The objective of the Experian Business Credit Score is to predict payment behavior. High Risk means that there is a significant probability of delinquent payment. Low Risk means that there is a good probability of on-time payment.

Key Score Factors:

- Number of commercial accounts with net 1-30 days term.
- Commercial account balance that is seriously delinquent.
- Number of commercial collection accounts.
- Number of recently active commercial accounts.

Business Credit Scores range from a low of 1 to high of 100 with this company receiving a score of 23. Higher scores indicate lower risk. This score predicts the likelihood of serious credit delinquencies within the next 12 months. This score uses tradeline and collections information, public filings as well as other variables to predict future risk.

Experian Financial Stability Risk Rating

3

Financial Stability Risk Rating

Medium Risk

A Financial Stability Risk Rating of 3 indicates a 2.95% potential risk of severe financial distress within the next 12 months.

Key Rating Factors:

- Number of commercial collection accounts.
- Number of active commercial accounts.
- Risk associated with the company's industry sector.
- Risk associated with the business type.

Financial Stability Risk Ratings range from a low of 1 to high of 5 with this company receiving a rating of 3. Lower ratings indicate lower risk. Experian categorizes all businesses to fit within one of the five risk segments. This rating predicts the likelihood of payment default and/or bankruptcy within the next 12 months. This rating uses tradeline and collections information, public filings as well as other variables to predict future risk.
