Description of the Transaction

Pursuant to the Stock Purchase Agreement, dated as of February 16, 2021, by and among Transferor, Transferee, and Sinch solely for the limited purposes specified therein, Transferee will acquire all of the issued and outstanding shares of common stock of Onvoy Holdings (the “Transaction”). As a result, Onvoy Holdings will become a direct, wholly owned subsidiary of Transferee. Licensees will remain indirect subsidiaries of Onvoy Holdings and, therefore, will become indirect subsidiaries of Transferee. Diagrams depicting the pre- and post-Transaction corporate organization structures are appended hereto as **Exhibit D**.

Public Interest Considerations

Applicants submit that the Transaction described herein will serve the public interest. The Transaction will bring together two successful enterprises that have demonstrated a long-standing commitment to excellence in a highly competitive marketplace. Transferee is managerially, technically, and financially well-qualified to complete the Transaction. Further, Transferee has plans to invest in the combined company's communications services to further grow and strengthen its capabilities. Licensees therefore will continue to have the managerial, technical and financial qualifications to provide high quality telecommunications services in Ohio supported by experienced management. Licensees will also be supported by the financial resources of Transferee.

At the same time, the Transaction will have no adverse impact on the customers of Licensees. Immediately following the Transaction, Licensees will continue to provide high-quality services at the same rates and on the same terms and conditions as are currently in effect. The only change immediately following closing of the Transaction will be that that Licensees' indirect ownership will change, with Transferee being the new ultimate owner. Since the Transaction will occur at the holding company level, it will be transparent and seamless from a customer's perspective.

EXHIBIT D

Customer Notice

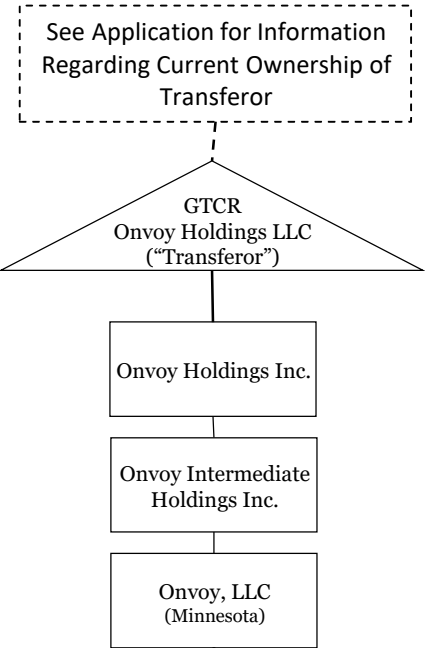

Not applicable. The Transaction is structured only as a change of ownership at the holding company level and will not affect any of the operations or legal identity of Licensee. The Transaction also will not result in any changes to the services received by customers (if any) of Licensee including rates, terms, and conditions of service. As further explained in **Exhibit C**, the Transaction will not impact consumers; rather, it will be seamless and transparent. Therefore, the Parties do not intend to provide customers notice of the Transaction.

OF SECTION 214 AUTHORITY HOLDERS**

Pursuant to Section 214 of the Communications Act of 1934, as amended (the “Act”),¹ and Sections 63.04, 63.18, and 63.24 of the Commission’s rules,² GTCR Onvoy Holdings, LLC (“GTCR Holdings” or “Transferor”), Sinch US Holding Inc. (“Sinch US” or “Transferee”), and Onvoy, LLC (“Onvoy”), Minnesota Independent Equal Access Corporation (“MIEAC”), Voyant Communications, LLC (“Voyant”), Broadvox-CLEC, LLC (“Broadvox”), ANPI, LLC (“ANPI”),

¹ 47 U.S.C. § 214.

² 47 C.F.R. §§ 63.04, 63.18, and 63.24.

ANPI Business, LLC (“ANPI Business”), Inteliquent, Inc. (“Inteliquent”), and Layered Communications, LLC (“Layered” and, together with Onvoy, MIEAC, Voyant, Broadvox, ANPI, ANPI Business, and Inteliquent, the “Authority Holders” and, together with Transferor and Transferee, “Applicants”) respectfully request Commission consent to consummate the purchase and sale of voting and equity interests in Authority Holders’ indirect parent, Onvoy Holdings Inc. (“Onvoy Holdings”) (the “Proposed Transaction”), the consummation of which will result in the transfer of control of Authority Holders from GTCR Holdings to Sinch US. As described in more detail below, Authority Holders and their affiliates operate a Tier 1 carrier network, providing wholesale voice, messaging, and switched access services to enterprise and carrier customers in all 50 states, the District of Columbia, Puerto Rico, and the U.S. Virgin Islands. Each of the Authority Holders holds blanket domestic interstate telecommunications services authority pursuant to operation of law.³ All of the Authority Holders except MIEAC hold international Section 214 authority as identified below in part IV(C).⁴

The Proposed Transaction will serve the public interest, convenience, and necessity by providing Authority Holders with access to the financial resources and additional industry expertise of Transferee and its affiliates, which will enable expansion and diversification of services and serve to strengthen the Authority Holders’ ability to compete, to the benefit of American consumers. It will not result in any loss or impairment of service for any of the Authority Holders’ customers and will have no adverse effects upon competition in any areas where the Authority Holders provide services.

³ 47 C.F.R. § 63.01.

⁴ MIEAC holds Section 214 authority to lease transmission facilities to provide centralized equal access service to interexchange carriers. *See* File No. W-P-C6400 (August 22, 1990).

In part I, the Applicants provide an overview of the parties and the Proposed Transaction. In part II, the Applicants address the standard of review, how the Proposed Transaction serves the public interest, and the absence of anti-competitive effects. In parts III and IV, the Applicants provide the information required by Sections 63.04 and 63.24(e)(2) of the Commission's rules, respectively.⁵ The Applicants seek to consummate the Proposed Transaction as soon as possible upon receipt of the required regulatory consents.

I. BACKGROUND

A. Parties to the Proposed Transaction

1. GTCR Onvoy Holdings LLC ("GTCR Holdings")

GTCR Holdings is a Delaware limited liability company with its principal executive office at 300 N. LaSalle Street, Suite 5600, Chicago, Illinois 60654. GTCR Holdings is an investment vehicle created to aggregate the ownership of various investment funds managed by GTCR LLC. Founded in 1980, GTCR LLC is a private equity firm focused on investing in growth companies in the Financial Services & Technology, Healthcare, Technology, Media & Telecommunications and Growth Business Services industries. Currently, GTCR Holdings owns 100 percent of Onvoy Holdings, which in turn indirectly owns 100 percent of Authority Holders. The ownership of GTCR Holdings is provided in Attachment 1.

2. Onvoy, LLC ("Onvoy")

Onvoy, a Minnesota limited liability company, is a direct, wholly-owned subsidiary of Onvoy Intermediate Holdings Inc., itself a direct, wholly-owned subsidiary of Onvoy Holdings. Onvoy provides primarily wholesale local exchange and long distance services, switched access, transit and other services to other carriers and communications providers. Onvoy also provides

⁵ 47 C.F.R. §§ 63.24(e)(2), 63.04(a)(6)-(12).

access to the public switched telephone network, telephone numbers and other functionalities on a wholesale basis to VoIP providers. Onvoy provides these services in all 50 states except Alaska.

3. Minnesota Independent Equal Access Corporation (“MIEAC”)

MIEAC, a Minnesota corporation, is a direct, wholly-owned subsidiary of Onvoy. MIEAC provides centralized equal access services in Minnesota and North Dakota.

4. Voyant Communications, LLC (“Voyant”)

Voyant, a Delaware limited liability company, is a direct, wholly-owned subsidiary of Onvoy. Voyant provides telecommunications services in Colorado, Idaho, Indiana, Michigan, Minnesota, Ohio, Tennessee and Washington. Voyant also provides VoIP services.

5. Broadvox-CLEC, LLC (“BV-CLEC”)

BV-CLEC, a Delaware limited liability company, is a direct, wholly-owned subsidiary of Onvoy. BV-CLEC offers access to the public switched telephone network, telephone numbers and other functionalities on a wholesale basis to Onvoy.

6. ANPI, LLC (“ANPI”)

ANPI, a Delaware limited liability company, is a wholly-owned subsidiary of ANZ Communications LLC (“ANZ Communications”), a Delaware limited liability company that is the wholly-owned subsidiary of Onvoy. ANPI provides wholesale interexchange service throughout the United States and is authorized to provide competitive local exchange service in a number of states.

7. ANPI Business, LLC (“ANPI Business”)

Like ANPI, ANPI Business is a Delaware limited liability company wholly-owned by AZN Communication. ANPI Business provides wholesale and retail interexchange services throughout the United States and is authorized to provide competitive local exchange service in a number of states.

8. Inteliquent, Inc. (“Inteliquent”)

Inteliquent, a Delaware corporation, is wholly-owned by Onvoy. Inteliquent provides domestic interstate wholesale competitive access and interexchange services in the District of Columbia, Puerto Rico and every state except Alaska. Inteliquent’s “Neutral Tandem” subsidiaries listed provide wholesale intrastate competitive access and local transit services in the District of Columbia, Puerto Rico and in every U.S. state except Alaska.

9. Layered Communications, LLC (“Layered”)

Layered, a Delaware limited liability company, is wholly-owned by Onvoy. Layered offers communications services primarily to other providers in California and New York.

10. Sinch US Holding Inc. (“Sinch US”)

Transferee Sinch US is a Delaware corporation and a wholly-owned direct subsidiary of Sinch Holding AB (“Sinch Holding”), which is in turn a wholly-owned direct subsidiary of Sinch AB (publ) (“Sinch”). Sinch, a publicly-traded company headquartered in Stockholm, Sweden, is a global leader in the markets for communications-platform-as-a-service (CPaaS) and mobile customer engagement. Sinch trades publicly on the Nasdaq Stockholm AB. Through its operating subsidiaries, Sinch is a leading global communications services provider with employees in 30 countries, serving enterprise customers, cloud platforms, application service providers, wholesale communications providers, and mobile operators.

As of February 28, 2021, Sinch has one shareholder with a 10 percent-or-greater interest. Neqst D2 AB, a Swedish investment firm, owns 16.5 percent of the outstanding shares in Sinch. The remaining shares are held by other investors with respective ownership interests under 10 percent. Attachment 2 identifies the direct and indirect owners of 10 percent or greater in Sinch US. Upon consummation of the Proposed Transaction, Sinch US will be the sole shareholder of Onvoy Holdings, the indirect parent company of the Authority Holders.

B. Description of the Transaction

Pursuant to the terms of the Stock Purchase Agreement (the “Agreement”) dated February 16, 2021, by and among Transferor, Transferee, and Sinch (solely for the limited purposes specified therein), Transferee will purchase all of the outstanding shares of Onvoy Holding, as a result of which the Authority Holders will no longer be indirectly owned and controlled by GTCR Holdings. The Authority Holders will continue to be 100-percent indirectly owned and controlled by Onvoy Holdings, which will in turn be indirectly owned and controlled by Sinch.

II. THE PROPOSED TRANSACTION WILL SERVE THE PUBLIC INTEREST AND WILL NOT HARM COMPETITION

A. Standard of Review

Under 47 U.S.C. § 214(a), the Commission must determine whether a proposed assignment or transfer of control of a provider of interstate or international telecommunications services is consistent with the public interest, convenience, and necessity.⁶ In making such a determination, the Commission first assesses “whether the proposed transaction complies with the specific provisions of the Act, other applicable statutes, and the Commission’s rules.”⁷ Second, if a

proposed transaction would not violate the Act, any other applicable statute, or any of the Commission's rules, the Commission then considers whether a proposed transaction "could result in public interest harms by substantially frustrating or impairing the objectives or implementation of the [Communications] Act or related statutes."⁸ Third, where a transaction raises no public interest harms or where any such harms can be ameliorated by narrowly-tailored conditions, the Commission considers the transaction's public interest benefits, with the applicants bearing the burden of proving those benefits by a preponderance of the evidence.⁹ Finally, if the Commission finds that narrowly-tailored, transaction-specific conditions would ameliorate any public interest harms for a transaction that is otherwise in the public interest, it may approve the transaction as so conditioned.¹⁰

The Proposed Transaction will not violate any provision of the Act, any other applicable statute, or any Commission rule, nor will it substantially frustrate or impair the Commission's implementation or enforcement of the Act or interfere with the objectives of the Act or other statutes. To the contrary, as detailed below, the Proposed Transaction is expected to offer

⁹ See *Level 3-CenturyLink Order*, 32 FCC Rcd at 9586 ¶ 10. In earlier transactions, the Commission weighed any potential public interest harms of the proposed transaction against any potential public interest benefits. substantial public interest benefits without any countervailing harms. In the absence of any such harms, transaction-specific conditions are unnecessary.

B. The Proposed Transaction Will Serve the Public Interest

Applicants respectfully submit that the Proposed Transaction will serve the public interest. “[T]he Commission has long recognized the clear public interest benefits in a license or authorization holder being able to assign or transfer control of its license or authorization freely.”¹¹ The Proposed Transaction will have no adverse impact on the customers or operations of the Authority Holders. Following consummation of the Proposed Transaction, the Authority Holders will continue to provide service in the same service territories, providing the same or improved service to their customers at the same rates, terms, and conditions as contained in existing customer contracts or tariffs, as applicable. Further, the Authority Holders will continue to operate under the direction of their current experienced and knowledgeable management teams. It is anticipated that the only immediate material change resulting from the Proposed Transaction will be that the Authority Holders will be controlled by Transferee rather than GTCR Holdings.

The Proposed Transaction will also serve the public interest by bringing Sinch’s financial resources and industry experience to the Authority Holders’ business. As a leading global CPaaS provider, Sinch is well-positioned to expand the Authority Holders’ own CPaaS and infrastructure-as-a-service offerings to better serve their U.S.-based enterprise, cloud- and mobile-communications customers. In addition, as a publicly traded company, Sinch has access to global capital markets and can provide the financial support for the Authority Holders’ continued growth.

¹¹ *Applications of T-Mobile US, Inc., & Sprint Corp., for Consent to Transfer Control of Licenses & Authorizations*, 34 FCC Rcd 10578, ¶ 41 (2019).

The Proposed Transaction will create no new combinations that will adversely affect competition in any domestic or U.S. international market. Sinch does not control, and is not affiliated with, any dominant domestic or international telecommunications providers in the United States.

Moreover, none of the Foreign Affiliates has any ability to discriminate against unaffiliated U.S. international carriers through the control of bottleneck services or facilities in its respective international market or appears on the Commission's list of foreign telecommunications carriers presumed to possess market power in foreign telecommunications markets.³² Accordingly, these foreign-carrier affiliates are each presumed to lack sufficient market power on the international end of the route to affect competition adversely in the U.S. market.

I. Special Concessions³³

The Applicants certify that they have not agreed to accept special concessions directly or indirectly from any foreign carrier with respect to any U.S. international route where the foreign carrier possesses market power on the foreign end of the route and will not enter into such agreements in the future.
