Cleveland Thermal Steam Distribution, LLC
Case No. 21-0356-HT-AEC

SUMMARY:

On April 9th, 2021, Cleveland Thermal Steam Distribution, LLC (Cleveland Thermal or Company) filed an application requesting approval of a Standard Steam Supply and Distribution Agreement (Agreement) that would permit Cleveland Thermal to provide steam service 800 Superior Avenue, Cleveland, Ohio 44114 (800 Superior or Customer). A copy of the Agreement is attached to the application. According to the application, the provision of steam service by Cleveland Thermal to 800 Superior shall not impair or reduce the quality of service to other Cleveland Thermal customers. This Standard Agreement qualifies for the automatic approval process approved by the Commission Case Nos. 12-1450-HT-AEC and 19-2106-HT-UNC. This process has reduced administrative costs and provides the Company with the ability to timely respond to competitive pressures to its business.

Cleveland Thermal and 800 Superior seek the Commission's approval to make the Agreement's termination provisions operable without obtaining additional Commission approval prior to ending the special arrangement.

STAFF REVIEW:

Staff has reviewed the application filed in this case, as well as the accompanying Agreement and exhibits, and finds that it does not appear to be unjust or unreasonable.

STAFF RECOMMENDATION:

Staff recommends to the Commission that the application filed by Cleveland Thermal be approved.
