Dear Examiners:

On March 12, 2021, I submitted the Joint Stipulation and Recommendation in these cases on behalf of the Signatory Parties (Stipulation). As discussed during the prehearing conference, I created a new version of the body of the Stipulation that corrects the spacing glitches. No wording or substantive changes of any kind were made as compared to the March 12, 2021 docketed version of the body of the Stipulation, except that a corrected version of Schedule C-1 (included with the Stipulation as part of Attachment A) previously submitted on April 7, 2021 was also incorporated. Incorporating these changes, I am filing the updated Stipulation on behalf of the Signatory Parties to be marked as Joint Exhibit 1 for purposes of the evidentiary hearing.

Thank you for your attention to this matter.

Respectfully Submitted,

cc: Parties of Record
