Dear Ashley Matson,

Thank you for contacting us at AEPOhio.com.

We have issued an order to have new service installed at 12999 Stiemman Rd. The order number is 108219566, and the account number is 10807061303. The scheduling office will be in contact within 3 business days to schedule a site visit. Please obtain an electrical inspection prior to the service being installed.

Upon the company's request for electric service, we determined that a security deposit of \$100.00 will be billed to the account. This charge is due before service can be installed.

If there are any questions, please contact our operation center at 1-888-710-4237.

If there are any technical questions please review [Ohio Power – Service Requirements](#).

If we can be of any further assistance, you are welcome to email us at customer_service@AEP.com. When emailing us, please include a copy of the original inquiry and subsequent responses.

Sincerely,

Chelsea S.
