Subject: comment for 20-1680-EL-BGN
Date: Thursday, May 20, 2021 11:22:04 AM

I am a concerned resident less than a half mile from the proposed yellow wood solar project. I am curious to what the regulations are from proximity to protected areas are? This project sits adjacent to a wetland nature preserve and I feel like this will have profoundly negative effects to the fragile ecosystem.

I look forward to your response.

Best Regards,
Josh Burlile
