**COMMENT:**

The closing of the Franklin Street (Lewis Center) crossing makes little sense to the residents of the affected neighborhood. The crossing has been in existence longer than the parties to this action have been alive. The closing of this crossing to vehicular and pedestrian traffic would effectively divide this historic neighborhood in half with no significant benefit to anyone except the bottom-line (financially) of the two railroad companies in question. The cash "incentives" made to Orange Township by NS and CSX for the closure of the crossing are laughable and, frankly, insulting. I would ask that an extension of the hearing on this matter scheduled for June 1, 2021 be continued to a later date in accordance to the request by Attorney Hochstettler on behalf of the Delaware County Board of Commissioners.
