

THE PUBLIC UTILITIES COMMISSION OF OHIO

IN THE MATTER OF THE APPLICATION OF
YNG MANAGEMENT OHIO, LLC FOR
CERTIFICATION AS A COMPETITIVE
RETAIL ELECTRIC SERVICE SUPPLIER IN
OHIO.

CASE NO. 18-388-EL-AGG

FINDING AND ORDER

Entered in the Journal on June 2, 2021

I. SUMMARY

{¶ 1} The Commission approves the renewal application of YNG Management, LLC for certification as a competitive retail electric service provider in Ohio.

II. DISCUSSION

{¶ 2} YNG Management, LLC (YNG or Applicant) was issued a certificate to provide competitive retail electric service (CRES) in Ohio on April 9, 2018 (Certificate No. 18-1305E (1)).

{¶ 3} On February 12, 2020, YNG filed an application to renew its certification as a CRES provider.

{¶ 4} Ohio Adm.Code 4901:1-24-09(A) provides that an application shall be deemed automatically approved pursuant to R.C. 4928.08, upon the 31st day after the filing date. Also, Ohio Adm.Code 4901:1-24-10(A)(1) provides that, upon good cause shown, an attorney examiner may suspend its consideration of an application.

{¶ 5} On March 12, 2020, pursuant to Ohio Adm.Code 4901:1-24-10(A)(1), the attorney examiner in this case suspended the 30-day automatic approval of Applicant's February 12, 2020 application so that Staff could review the application further.

{¶ 6} Staff filed its first review and recommendation on October 20, 2020, recommending dismissal of the renewable application stating that the application, as filed, did not include the necessary information to complete a thorough review of YNG's ability to provide CRES in Ohio.

{¶ 7} Staff filed a subsequent review and recommendation on February 4, 2021. Therein, Staff states that, since the initial recommendation, the Applicant filed revisions to its renewal application on October 30, 2020, February 2, 2021, and February 3, 2021. Staff represents that with the revisions, the Applicant has filed all necessary information for a complete review. Based upon its evaluation and review of the application and its accompanying exhibits, Staff recommends that the Applicant's renewal application filed on February 12, 2020, as amended on October 30, 2020, February 2, 2021, and February 3, 2021, be approved.

{¶ 8} Upon review of the application and Staff's recommendation, Applicant appears managerially, financially, and technically fit and capable of performing as a CRES power marketer in compliance with all applicable regulations adopted pursuant to R.C. Chapter 4928. Accordingly, the Commission finds that Applicant's renewal application for certification as a CRES power marketer should be approved for a period of two years.

III. ORDER

{¶ 9} It is, therefore,

{¶ 10} ORDERED, That YNG's renewal application be approved. It is, further,

{¶ 11} ORDERED, That YNG be issued a certificate to provide CRES. It is, further,

{¶ 12} ORDERED, That a copy of this Finding and Order be served upon all interested persons and parties of record.
