Tom Cummins is the founder and CEO of American Power & Gas LLC (AP&G). Mr. Cummins has been in the Energy Choice industry for 20 years He founded the first out-source company in

North America to exclusively represent energy marketers and exclusively sell energy in the deregulated marketplace. His company enrollments have now exceeded 2 million combined residential and commercial customers using both gas and electricity. Mr. Cummins' company has worked in every state in the union where deregulation of energy has occurred. For the past thirty years Mr. Cummins has owned and operated mass marketing companies. Prior to founding CSS, Mr. Cummins ran a sales force of over 2000 agents in telecommunications during its deregulation. Mr. Cummins and his staff have been leaders of mass-market retail energy sales via telesales. On behalf of over 100 different ESCOs, his company has spoken to more than 20 million energy consumers on the subject of energy deregulation, literally making him the expert in deregulated retail energy sales. He founded AP&G in 2011 and launched the enrollment of customers in New York State. He has since added supplier licenses in Pennsylvania, New Jersey, Ohio, Illinois, Maryland and Massachusetts.
