Re: Case No. 10-2387-TP-COI

Dear Ms. Troupe:

AT&T Corp. files this letter of compliance pursuant to the PUCO Case No. 10-2387-TP-COI.

Pursuant to 47 CFR of 47 C.F.R. 61.26(c)¹, AT&T Corp. will file tariff pages with the Federal Communications Commission ("FCC") on July 16, 2021 to be effective on July 31, 2021. With this filing, AT&T Corp. interstate originating 8YY access rates will mirror the comparable interstate rates of the competing ILECs who filed tariffs pursuant to 8YY Access Charge Reform WC Docket No. 18-156, FCC 20-143 released October 9, 2020 ("FCC Order").

AT&T Corp.'s PUCO No. 1 Tariff will be revised to point to its F.C.C. Tariff No. 2 to be effective on July 31, 2021. On the effective date of this filing, AT&T Corp.'s intrastate originating 8YY access rates will be compliant with the FCC Order.

Should you have any questions or require additional information, please contact me at 214-757-8099.

Sincerely,

Richard T. Howell
Area Manager-Regulatory Relations

¹ The benchmark rate for a CLEC's switched exchange access services will be the rate charged for similar services by the competing ILEC. If an ILEC to which a CLEC benchmarks its rates, pursuant to this section, lowers the rate to which a CLEC benchmarks, the CLEC must revise its rates to the lower level within 15 days of the effective date of the lowered ILEC rate.
