Case No. 21-572-GA-BNR

**VECTREN ENERGY DELIVERY OF OHIO, INC. D/B/A
CENTERPOINT ENERGY OHIO'S
SUPPLEMENT TO CONSTRUCTION NOTICE**

On June 17, 2021, the Ohio Power Siting Board Staff issued its Staff Report, which contains the four conditions listed below:

- 1) The certificate authority provided in this case shall not exempt the facility from any other applicable and lawful local, state, or federal rules or regulations nor be used to affect the exercise of discretion of any other local, state, or federal permitting or licensing authority with regard to areas subject to their supervision or control.
- 2) Prior to the commencement of construction activities in areas that require permits or authorizations by federal or state laws and regulations, the Applicant shall obtain and comply with such permits or authorizations. The Applicant shall provide copies of permits and authorizations, including all supporting documentation, on the case docket prior to commencement of construction.
- 3) Staff recommends that construction of this project not commence until such time that the Applicant coordinate with the Ohio Historic Preservation Office (OHPO) and clarify that this 1,600-foot relocation project is not subject to the overall replacement project OHPO recommendation that additional field work is required to ensure no adverse impacts to cultural resources as discussed in Attachment F of the application. This additional correspondence shall be filed in the case docket.
- 4) The Applicant shall ensure all necessary erosion control measures are implemented during construction with special attention given to areas of the project that exceed 12 percent slope.

By this submission, Vectren Energy Delivery of Ohio, Inc. d/b/a CenterPoint Energy Ohio (“Vectren”) incorporates the above conditions as a supplement to its Construction Notice filed June 2, 2021, and requests that this supplement be considered part of Vectren’s application.

Respectfully submitted on behalf of,
