MEMORANDUM IN SUPPORT

On June 3, 2021, the parties in this case were ordered to file any stipulation of facts by June 25, 2021. On June 24, 2021, intervenor Carbon Solutions Group, LLC filed a Motion to Dismiss. The parties have been working to reach a stipulation of facts, but the varying interests of the parties as well as the complexity of the facts will not allow the parties to reach a stipulation of facts by the deadline of June 25, 2021. In light of the pending Motion to Dismiss and the time needed to pursue the possibility of agreeing upon a stipulation of facts, the parties hereby request that the deadline for filing a stipulation of facts be extended.

Respectfully submitted,
